

S-SIR VEGG!
The bomb
launcher
has ESCAPED!

And it
grew
turkey
legs?

Do I look
like I care?

I'm trying to have
a NICE DINNER
with my wife!

But the bomb
launcher..
It's throwing
bombs
EVERYWHERE!

Hang on
just
a second
there..
Your wife?

Isn't she
beautiful?

YEAH! Her
name is
Mrs. Vegg

Sir Vegg, I'm
pretty sure
that right
there is
just a doll

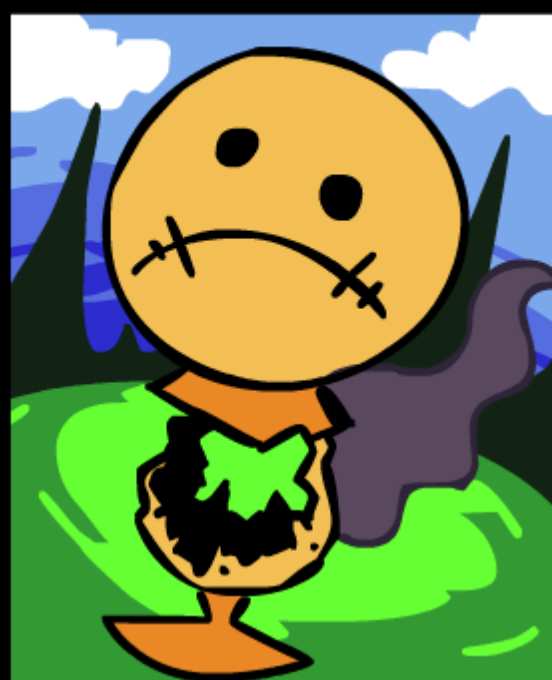

How DARE you even
speak like that of her?!

Out of my sight, NOW!

Check this out!

Jimmy, that was SO cool.
Can you do that again?

Sure!

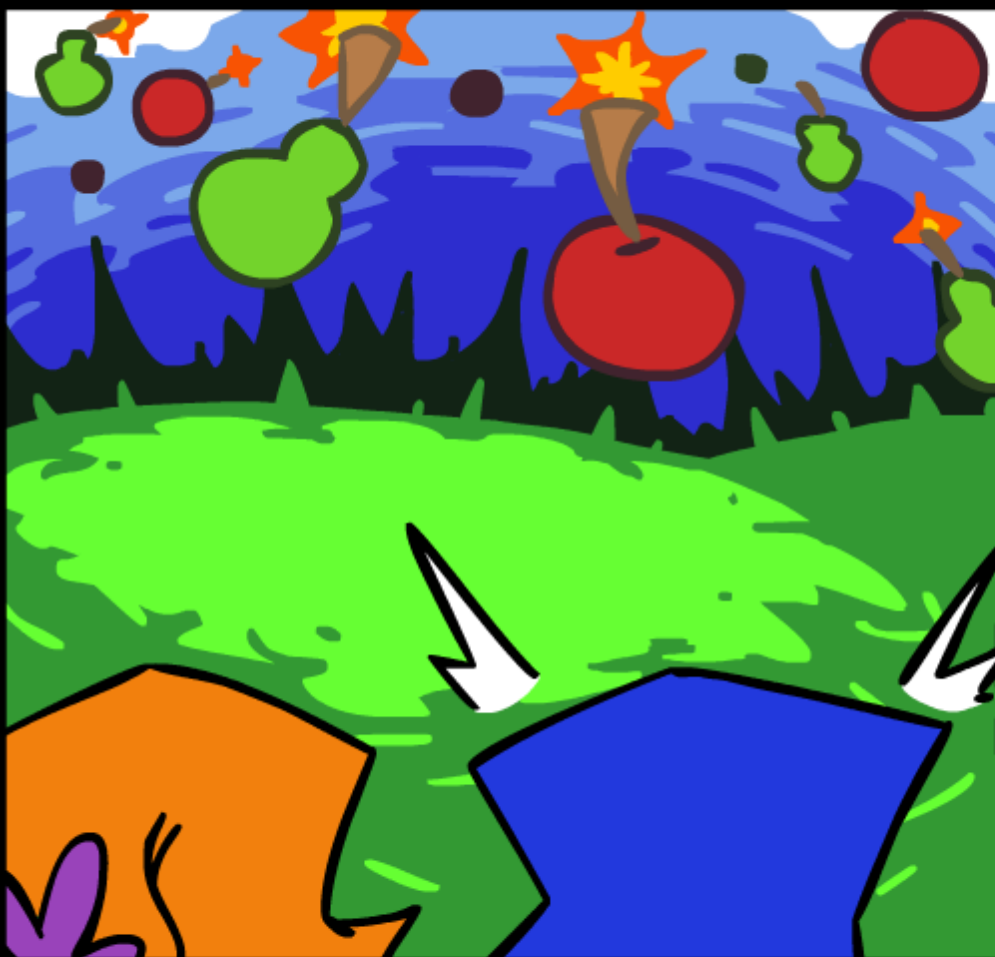

Mail for
Jimmy
Jimmerson

WHAT THE FROG?!

It's an all
out attack!

And from none other
than DR. VEGG I bet!

Seems I have
to pay him
a visit once
again..

The Fruit Plains
needs a Hero..

Does he
always act
like that?

Yeah

CRASH

We can't just be
standing here!

We need to leg it
outta here.. and quick!

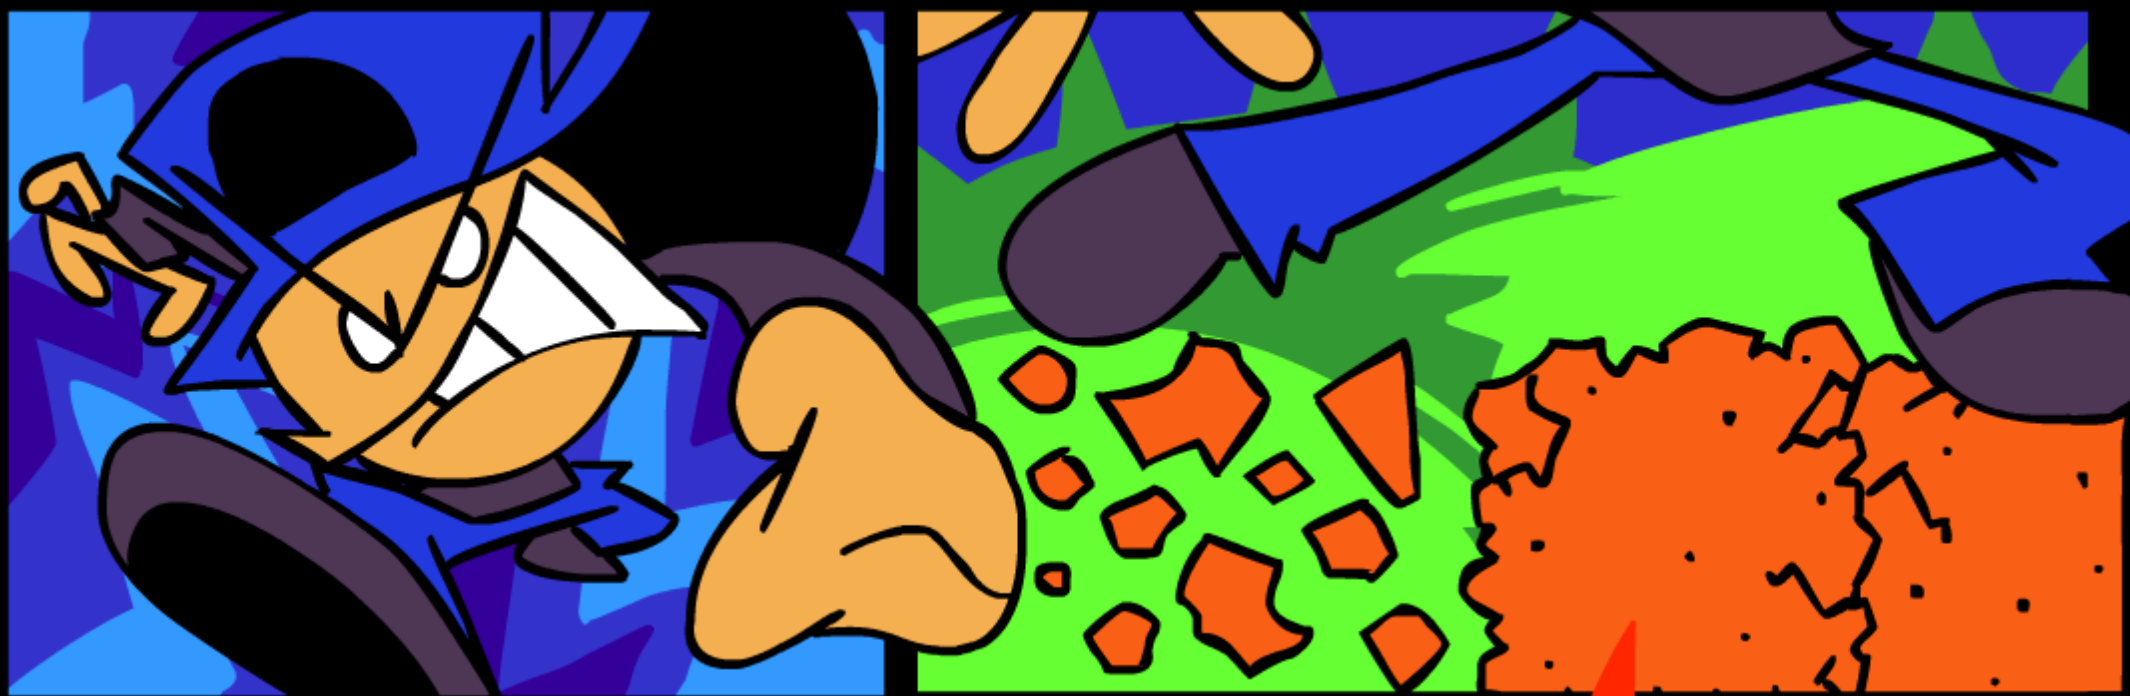

Look!

The Library?

We can hide
in there!

I guess that
works

What do you two need?

We've overheard your monologue about Vegg..

Don't worry, pal. We hate that guy too

We're WORKING ON IT, alright?!

I'm not buying your stuff

Besides, your shop's logo has a typo in it

Check this one out. It's brand new!

Shake it a time or two, and it'll teleport you straight to Vegg's castle

JACKPOT

You know, I've changed my mind. I think I'll get this thing

Not so fast, cap guy

You know you have to pay, right?

Well uhh,,
I've got a dollar

No. I don't
need your
money

Your gun.
Hand it
to me

I hope this is
worth it..

Fine

Pleasure doing
business with ya,
cap guy

Okay, I'm
outta here!

FOOSH

He fell for the trick!
What an idiot!

Totally! Told
you it was
a good idea!

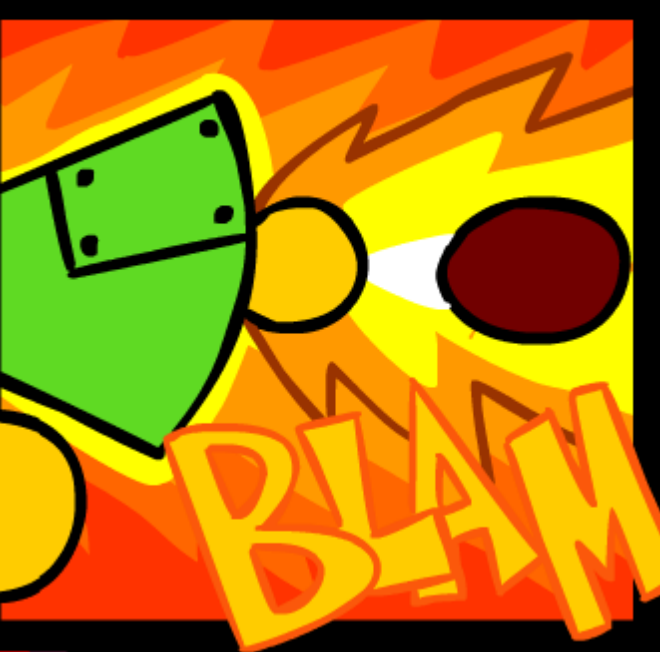

What does that thing
we sold him even
do, anyway?

Who cares? We have THE
Fruit Blaster now!

I've always
wanted to
use this
thing

Fruit bo-uh.. o-

Ugh.. I CAN'T DO THIS!

I give up reading!

Sam, look!

FRUIT BOMBS

Fruit bombs, huh?

We're closing!

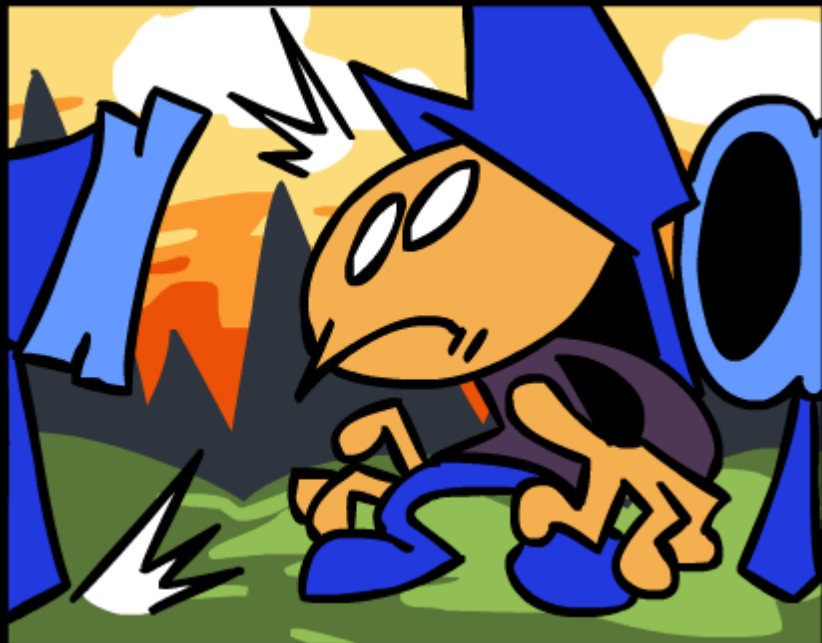

Say, we take this book with us

Let's do this..

What is this place?

THE
END
