

I was born to cruise through hell

OooHOO!
And another
one.. right
there! YEAH!

Whatever you say,
boss...

These candy candles
are the BEST thing
to happen to this
place.
Everything
here looks so much
better now!

Hey boss.. Why's
the ground so
shaky all of a
sudden?

Smells like explosives..

Golly gee! You're RIGHT!
Something's up..!

CRASH

SLAM

THUNK

OUCH

BSHH

SLAM

FSHH

RAA
RAA
RAA

I should've called
in sick...

HUFF PUFF

Demons..
DEMONS!
I HATE
VISITORS!

JUMP

CLICK

BOOM

RFFFFF

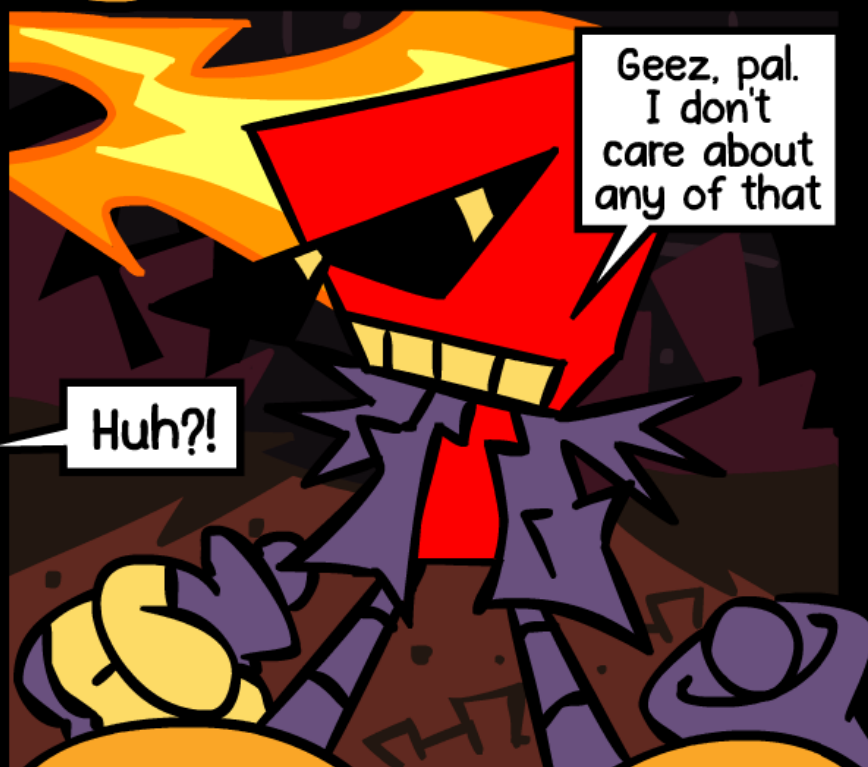

You know.
When I imagined
"The king of Hell",
a little gnome
did not come to
my mind

LISTEN MAN! I'll grant you
gambling luck,
I'll save you from death.
I'll even tell you where
that GENIE keeps
his riches!!
Just DON'T TOUCH ME!

Geez, pal.
I don't
care about
any of that

Huh?!

You have money stuck
to your beard

That's my insurance
money!

HEY!

SNATCH!
