THE REDBIDD COMICS

EPISODE 4: OUTTA DIS TOWN

There he is, boss.
The red rabbit!

SLAM

Just as you
asked

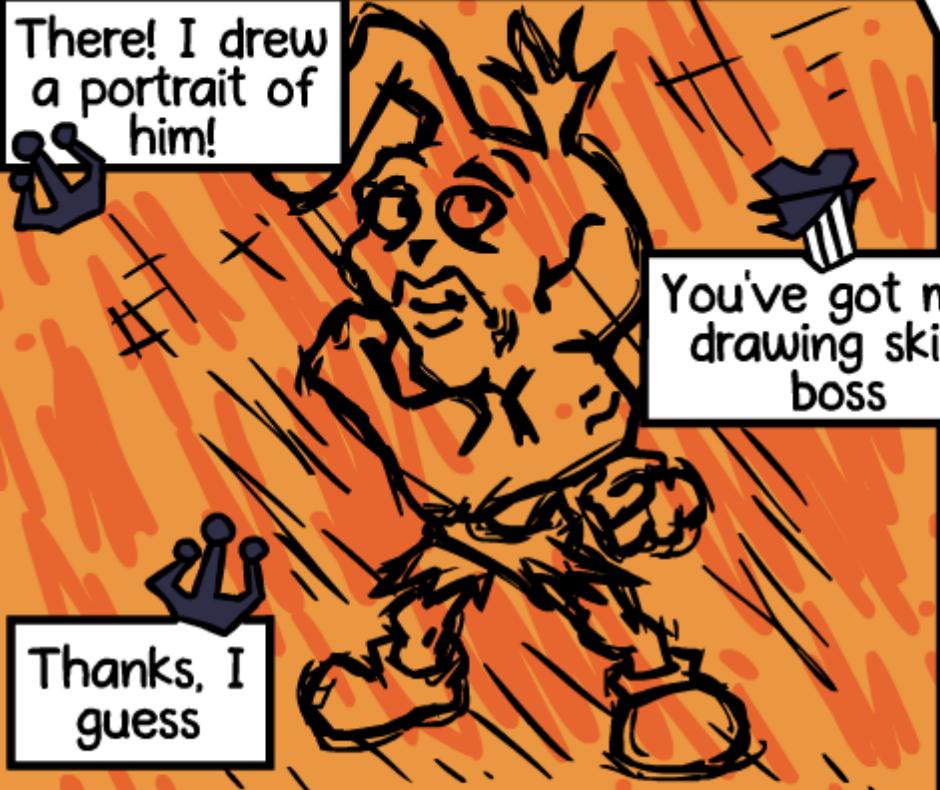

Misterio..
are you COLORBLIND?
That rabbit's **YELLOW**.
Not **RED**!

Yeah, boss. I've got
a tiny bit of colorblindness
going on. Thought
you'd know by now

Ooo! I have
an idea!

There! I drew
a portrait of
him!

Now get
him!

Thanks, I
guess

You've got mad
drawing skills,
boss

And YOU..

Me?

Go to
"THE ROOM"

The.. the ROOM?!

Yes.

Wait! Before I go..

May I make one short phone call?

Fine..

But you only have ONE minute. The clock is ticking

Gee dude, this looks like absolute junk!

Alright then..

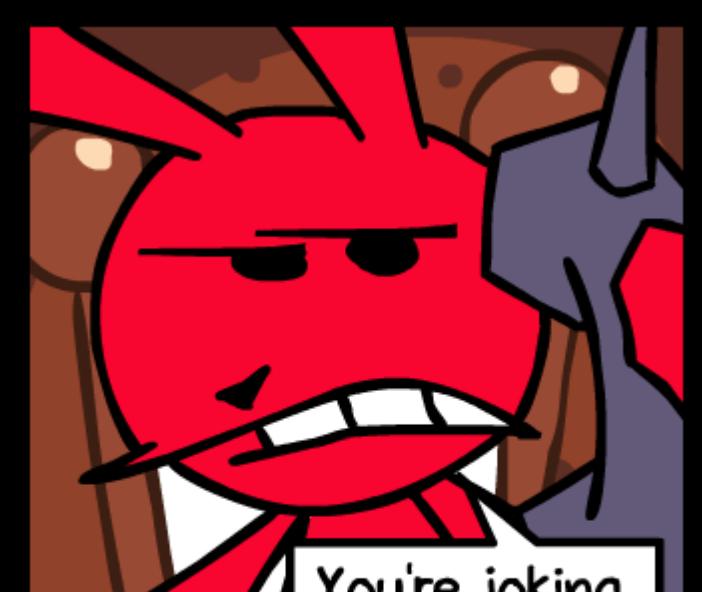

RING.

REDBIDD! It's me! Your pal Wraps!

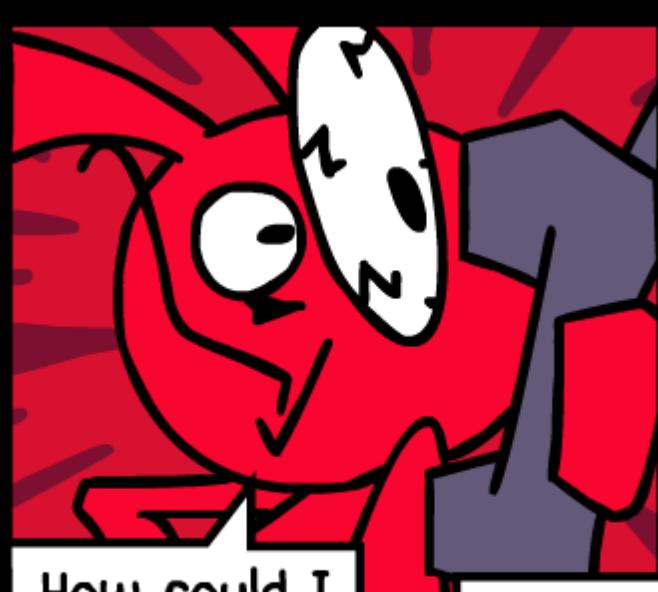

Listen, pal. I don't care about your insurance deals-

I'm stuck in here, and I don't have much time

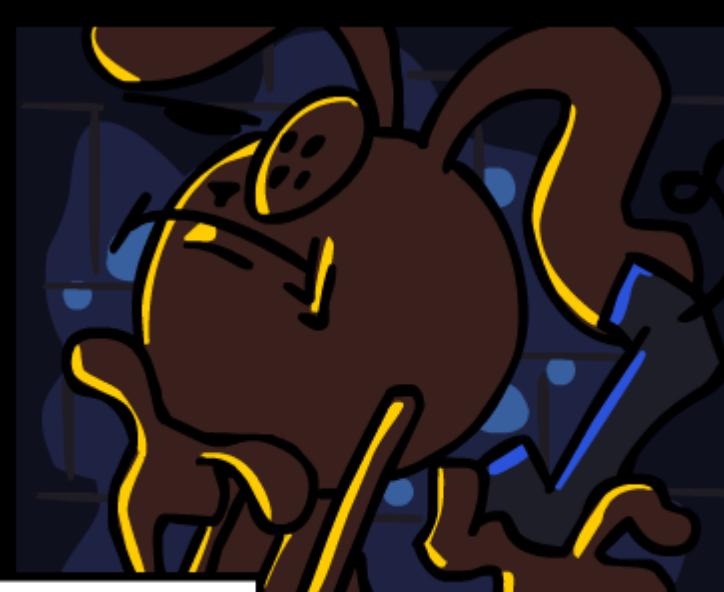

Basically, I've been kidnapped

You're joking,
right?

How could I
believe you?

You know, Redbidd..
If I were to ever get
kidnapped, I'd come
up with some sort of
a code word, to let
you know I'm in
danger

FLASHBACK

I think "shoe"
sounds cool

That's, like,
very weird.
But ok

What do you think
you're doing?

CODE
WORD
"SHOE"!!!

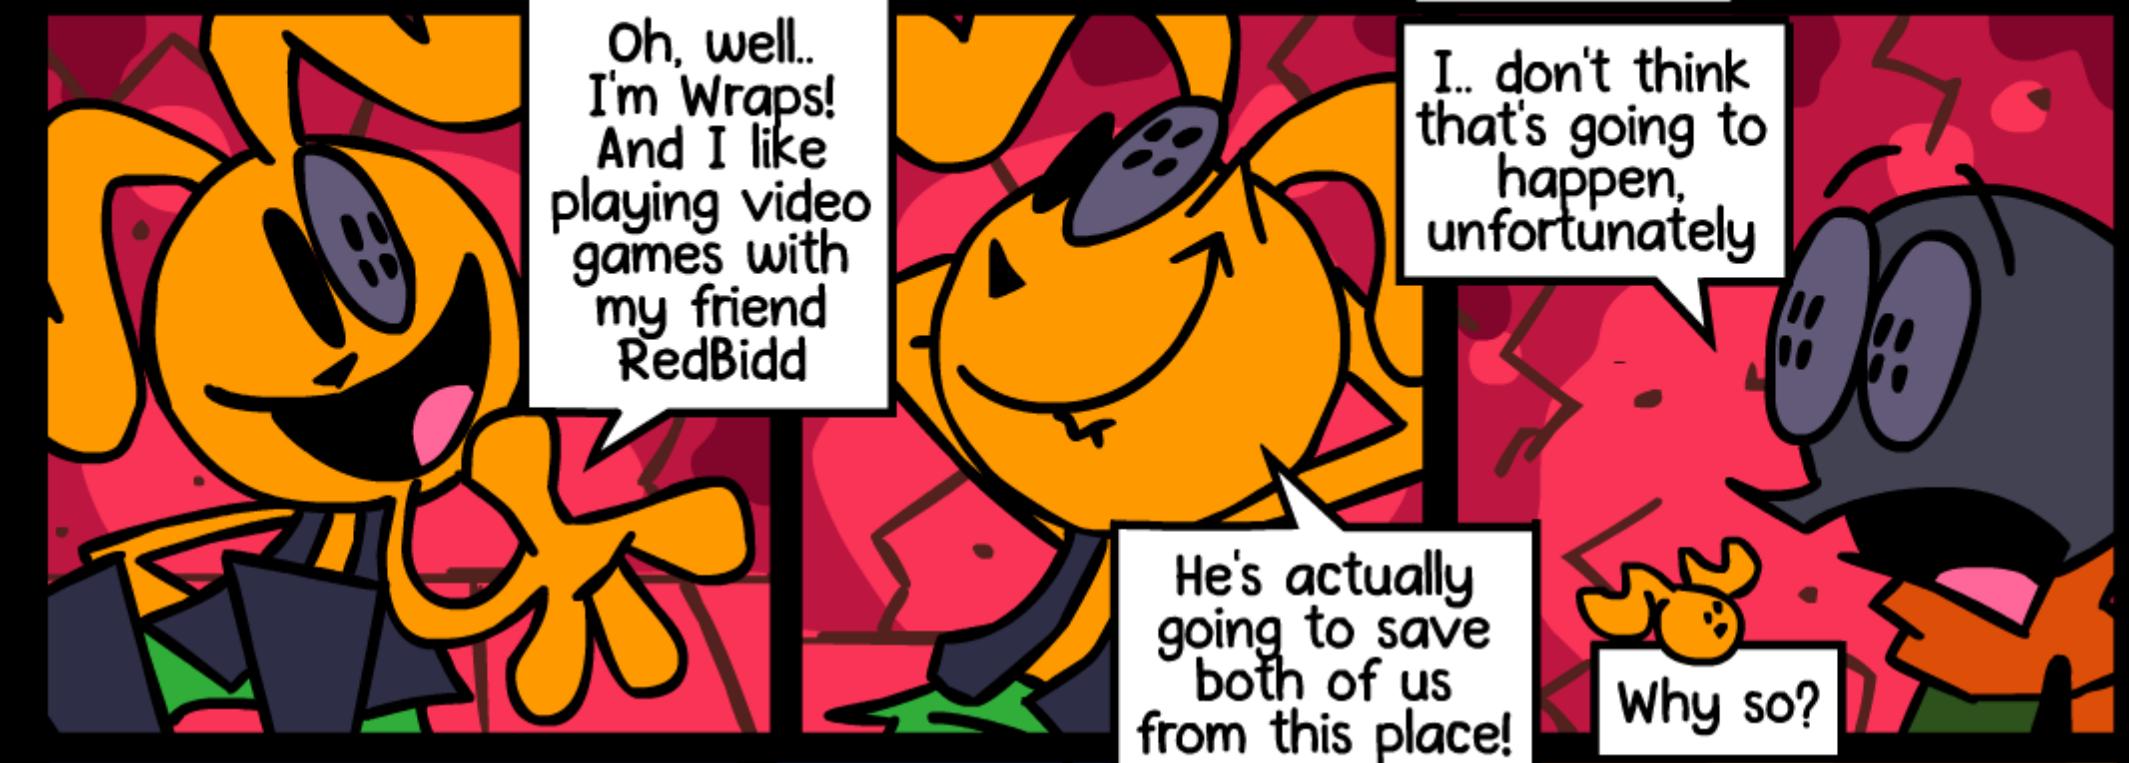

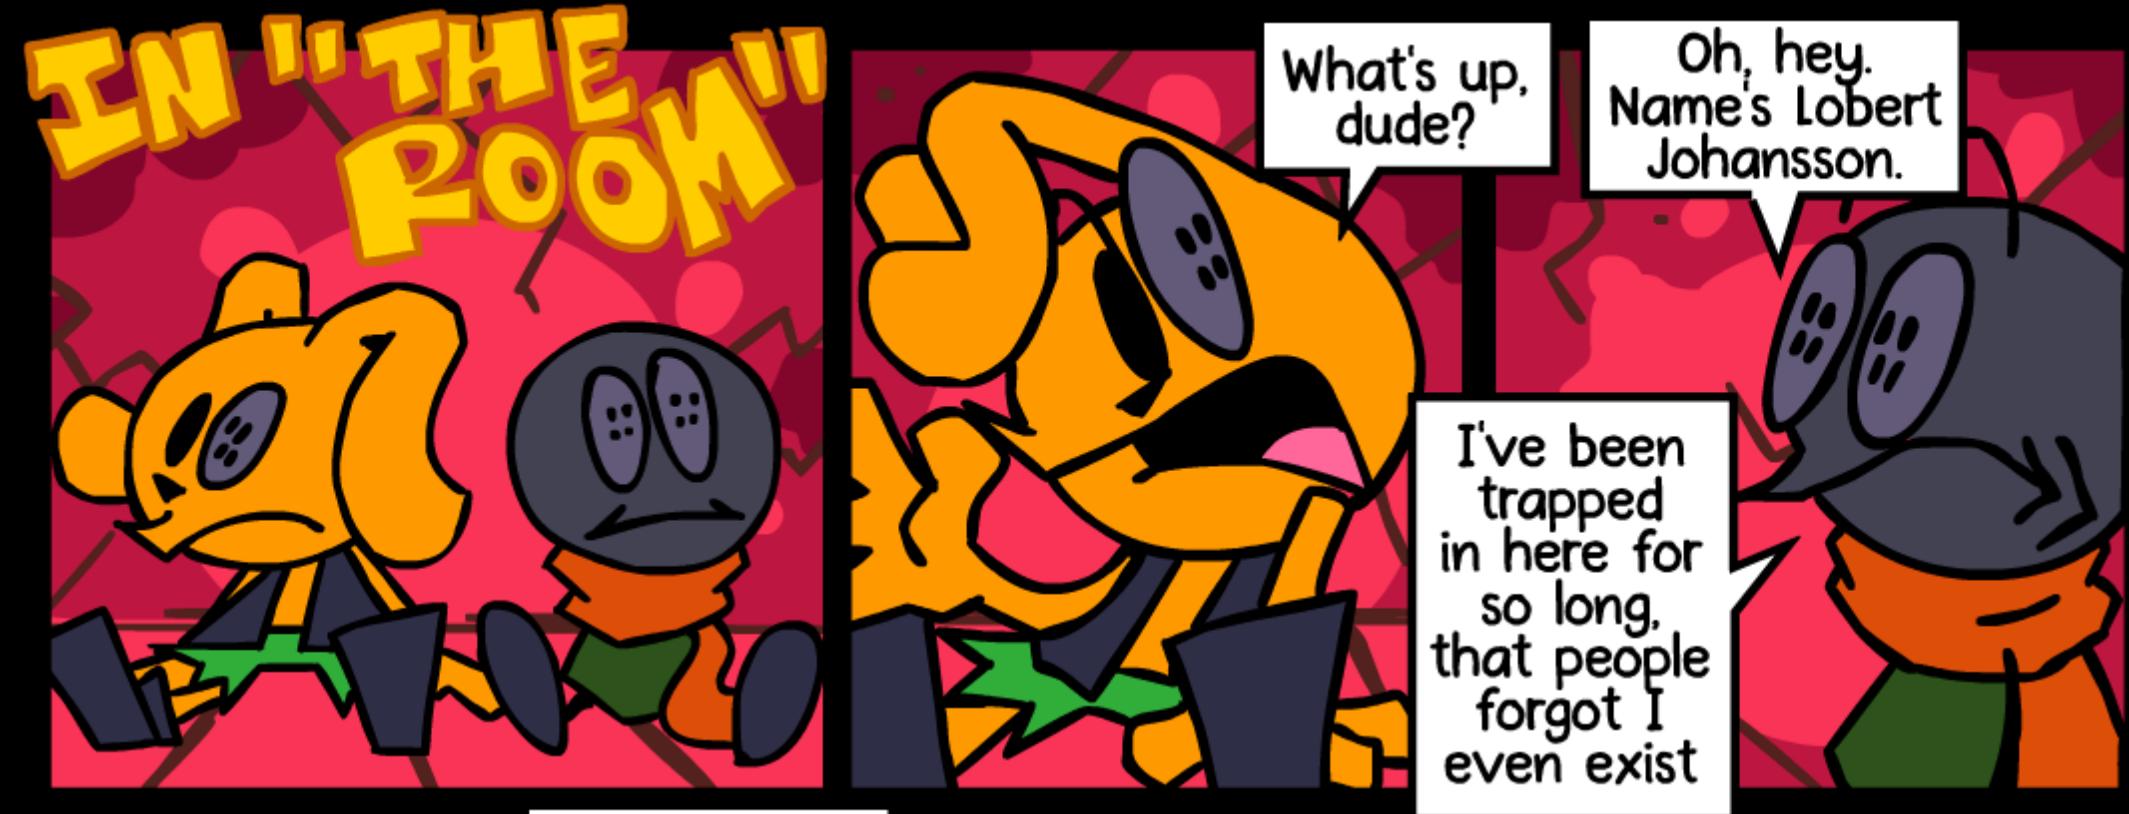

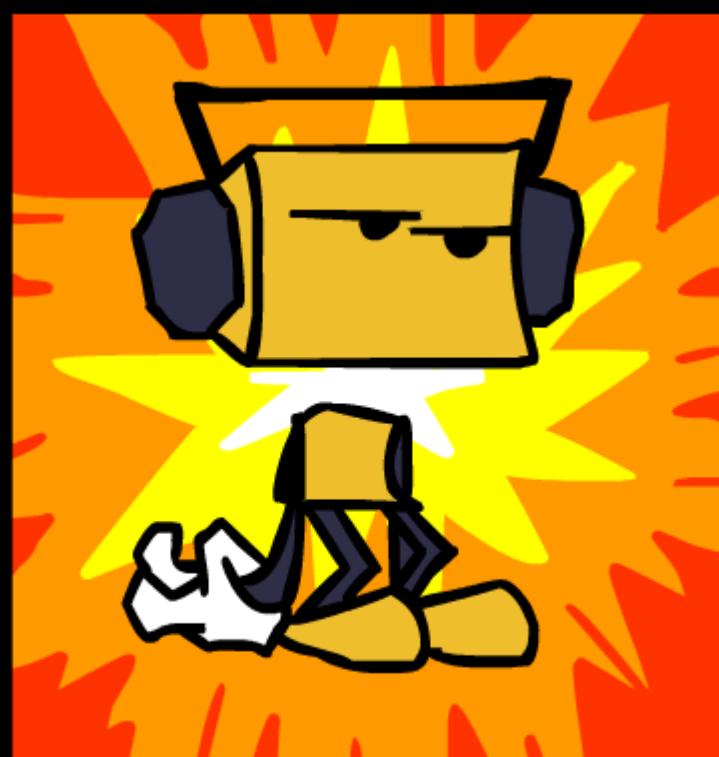

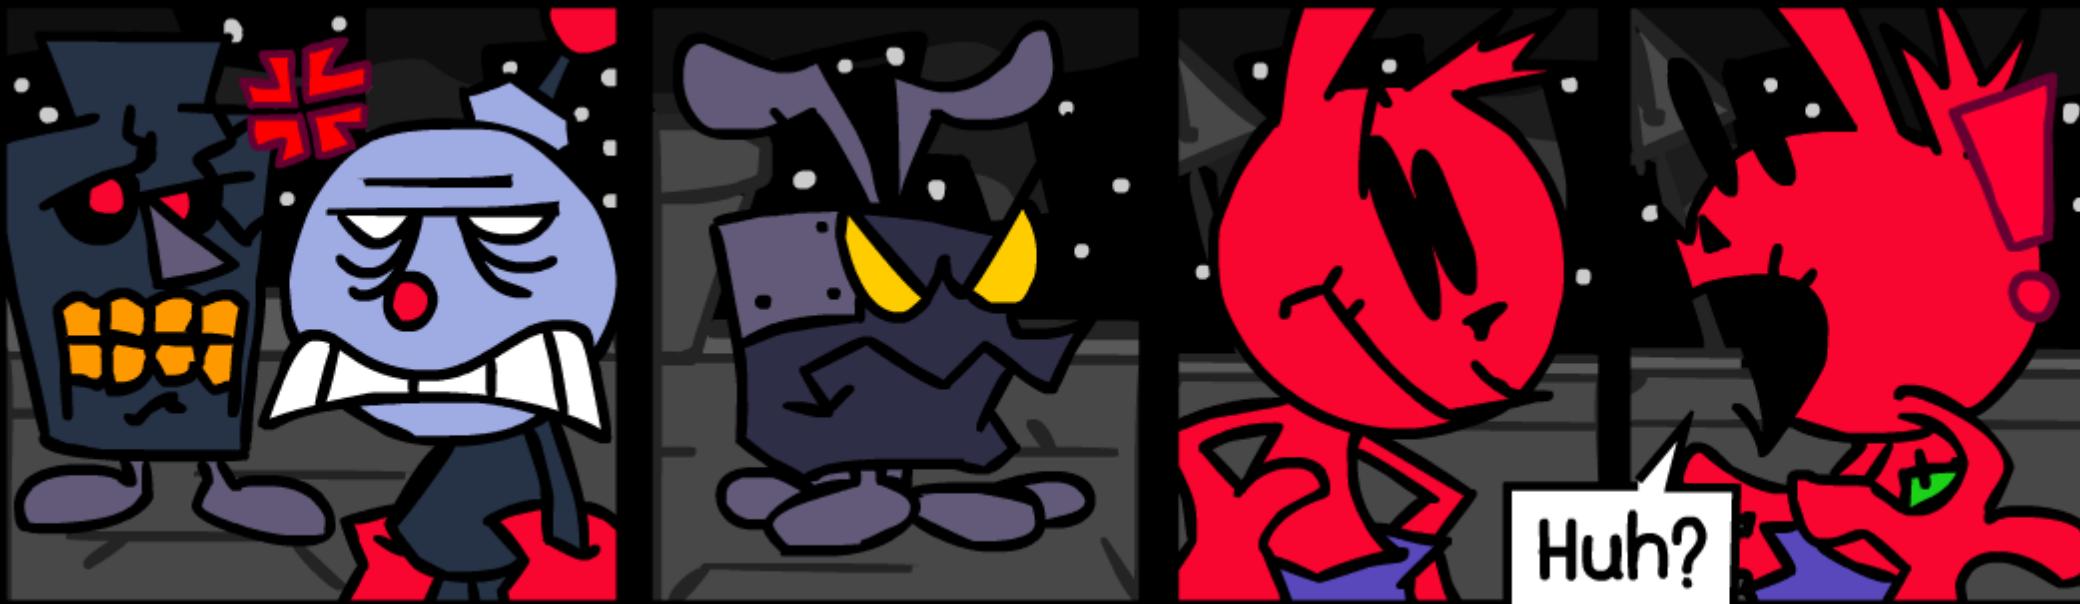

SNAP

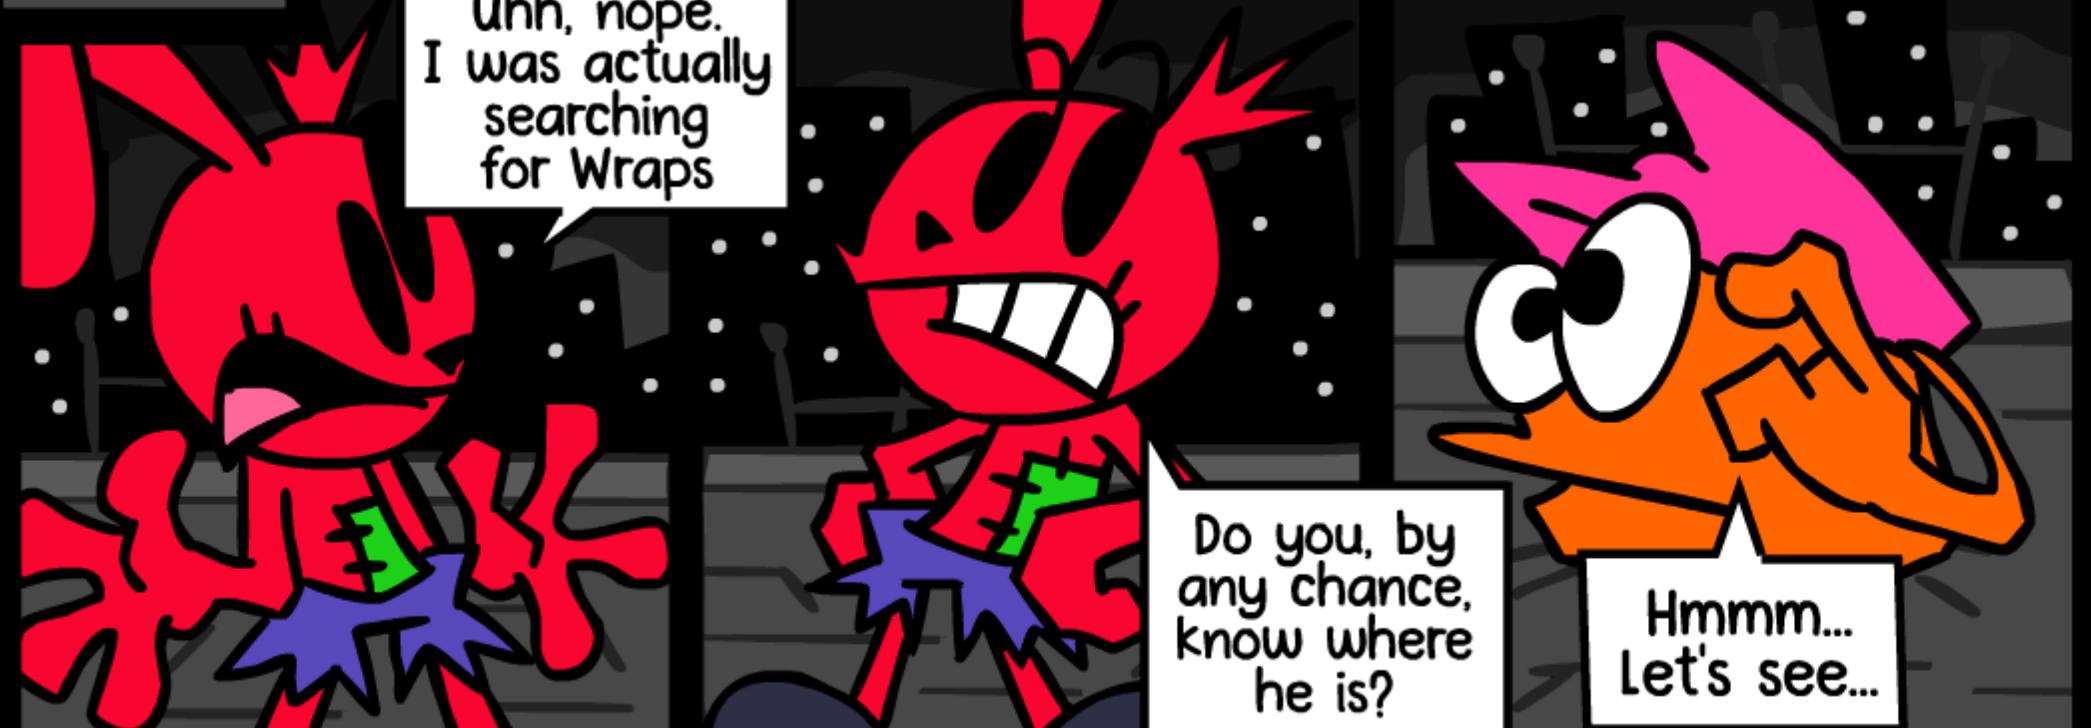

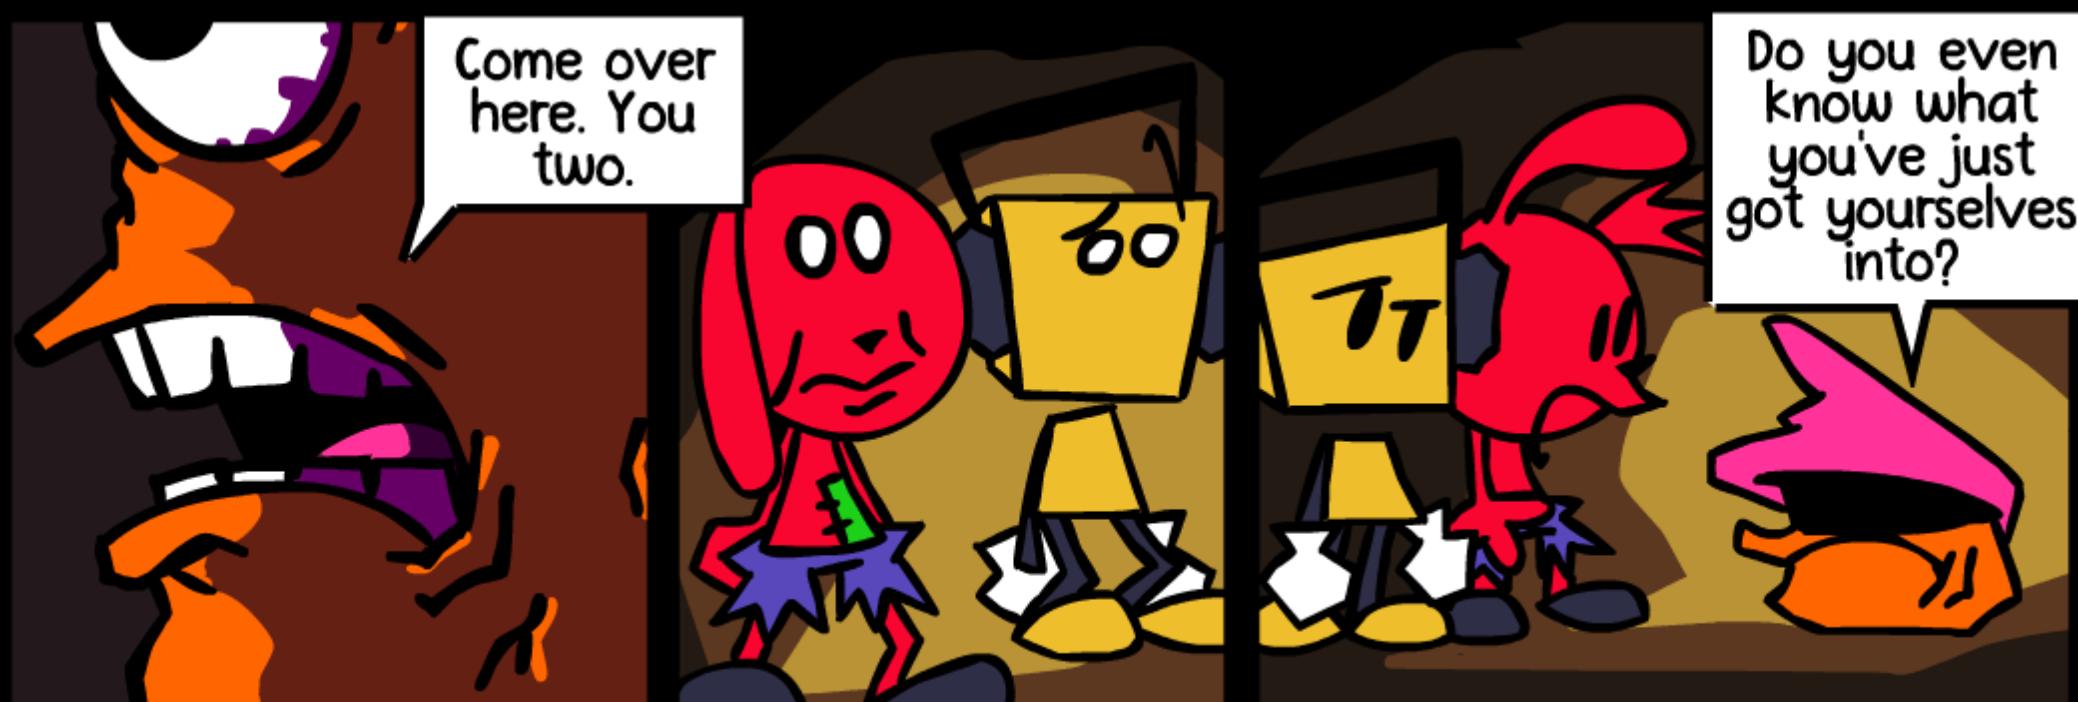

GULP...

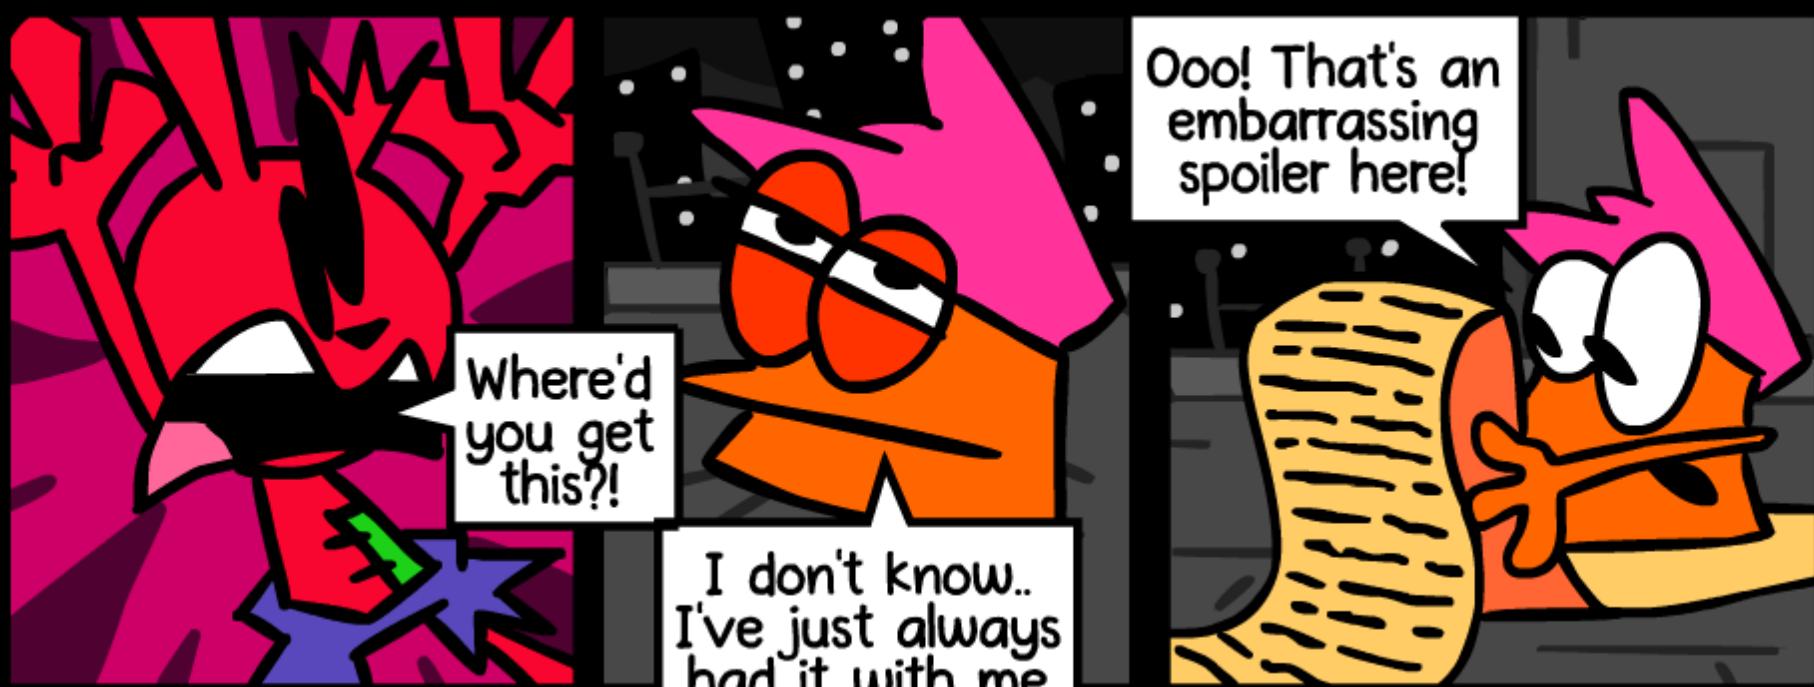

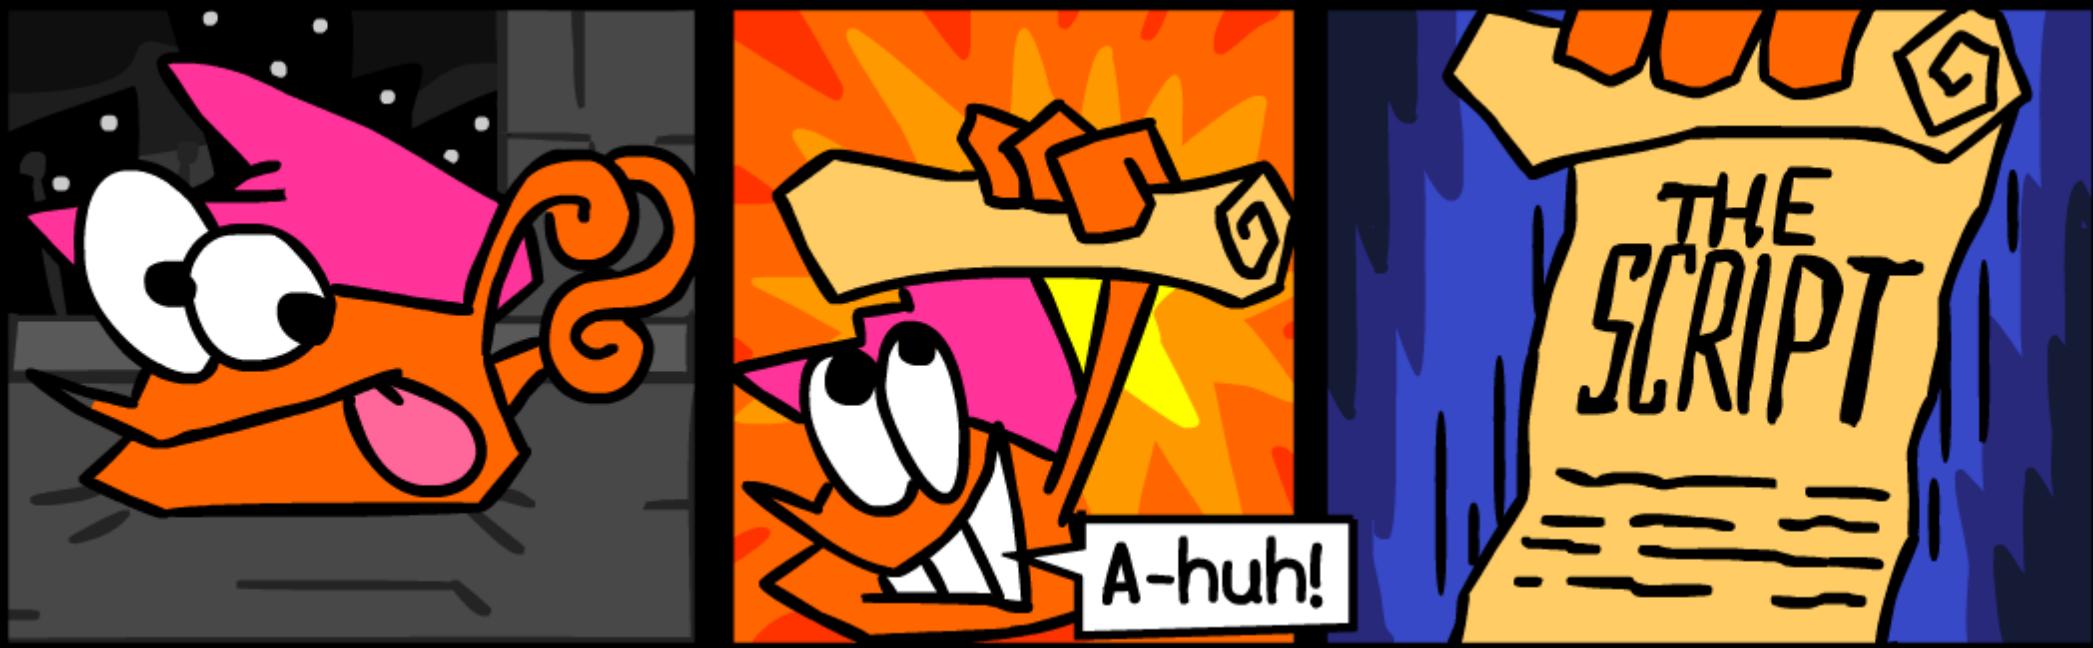

First of all,
who's Misterio?
And second
of all..
how do we
GET THERE?!

My young friend,
getting to the
NoWayKingdom is
a no simple task!

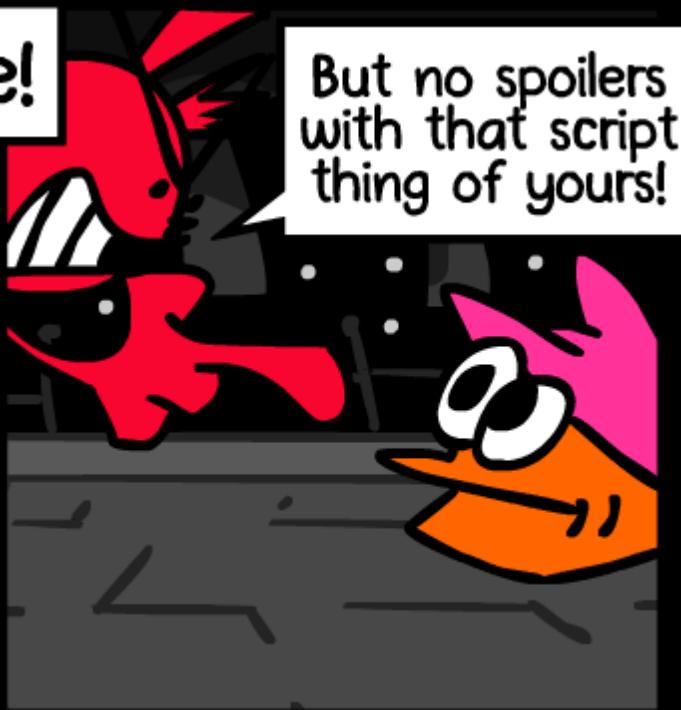

The passageway
there has been
locked for five
hundred years!

The only way to get there -
is by using the extremely
convenient level transporters

Or, in Misterio's case,
being good friends
with NoWayKing does
the job pretty well

So, RedBidd, where are we, like, going?

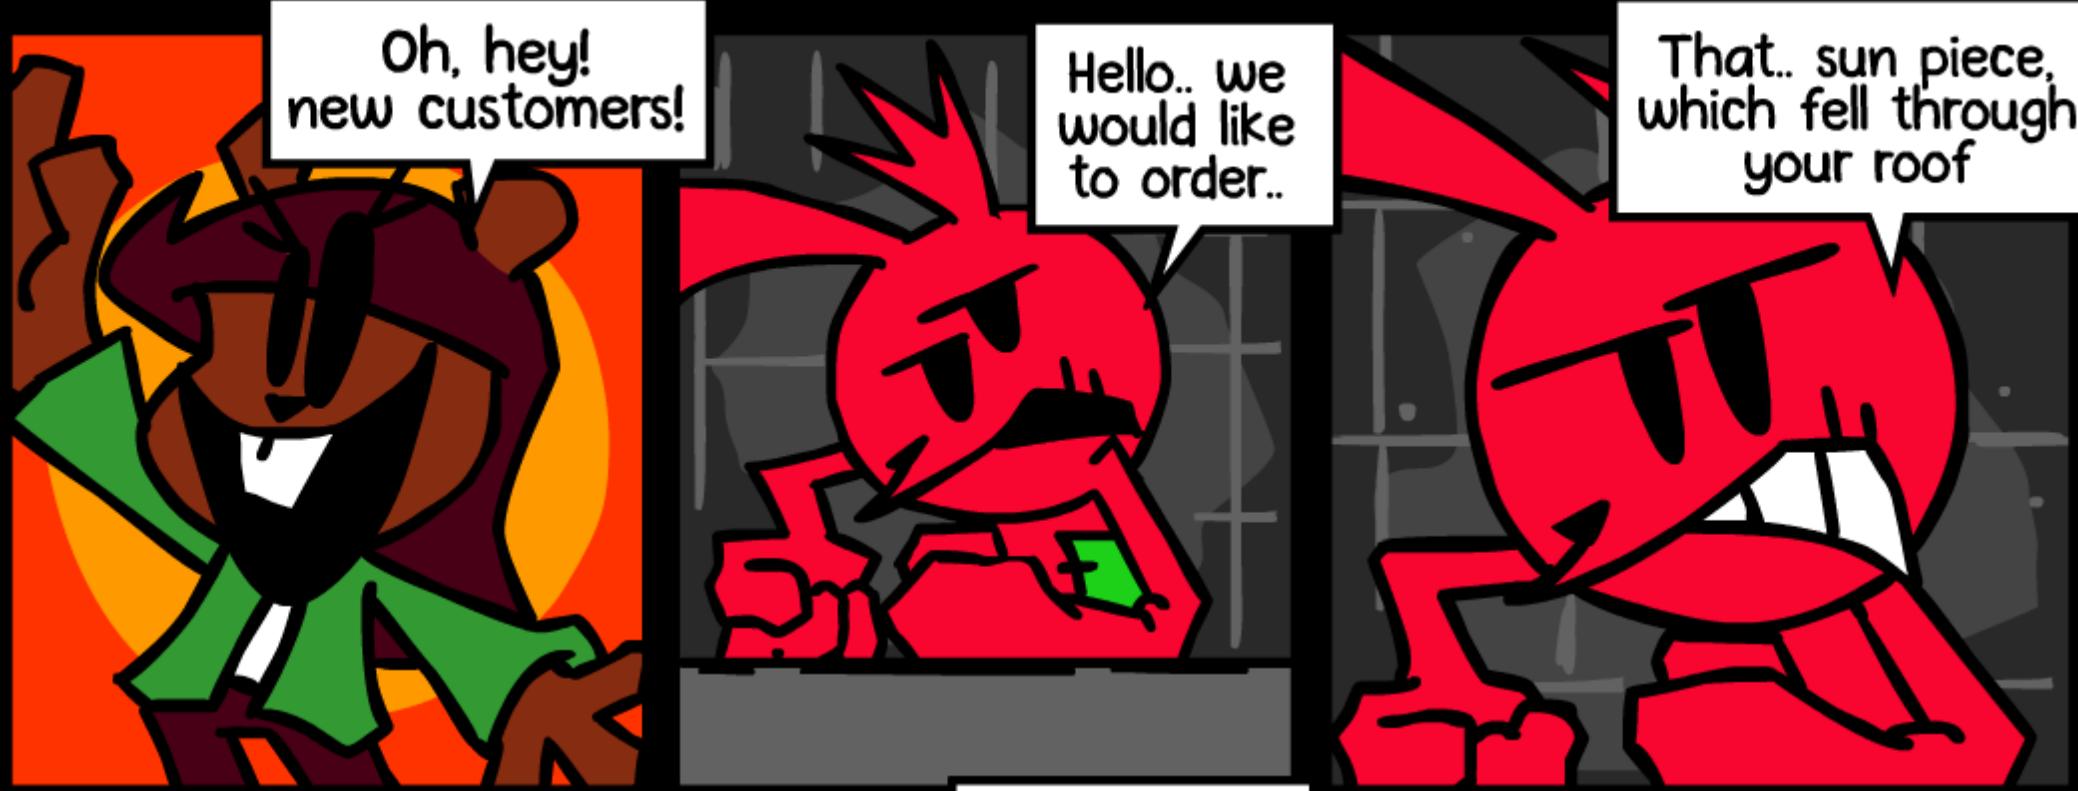

Uhh, I actually wanted to ask you the same question

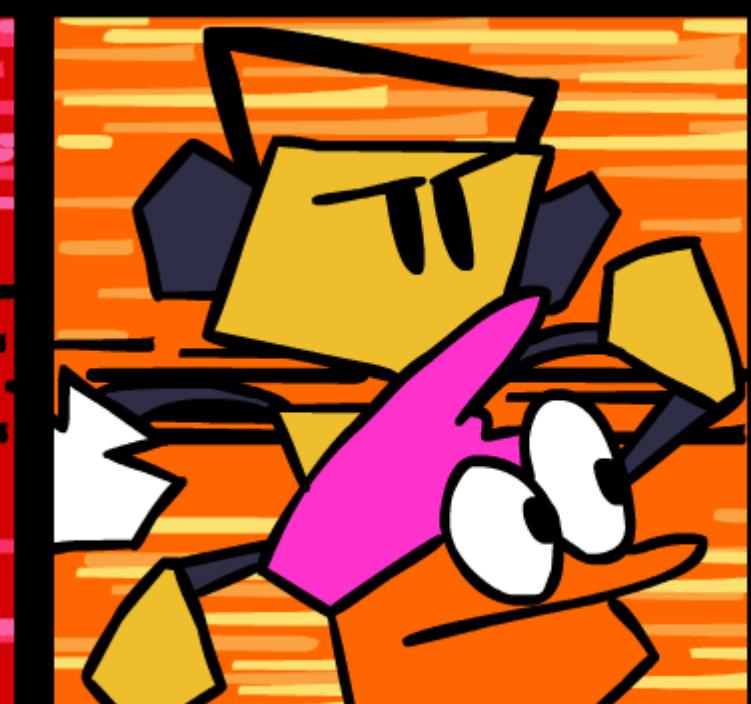

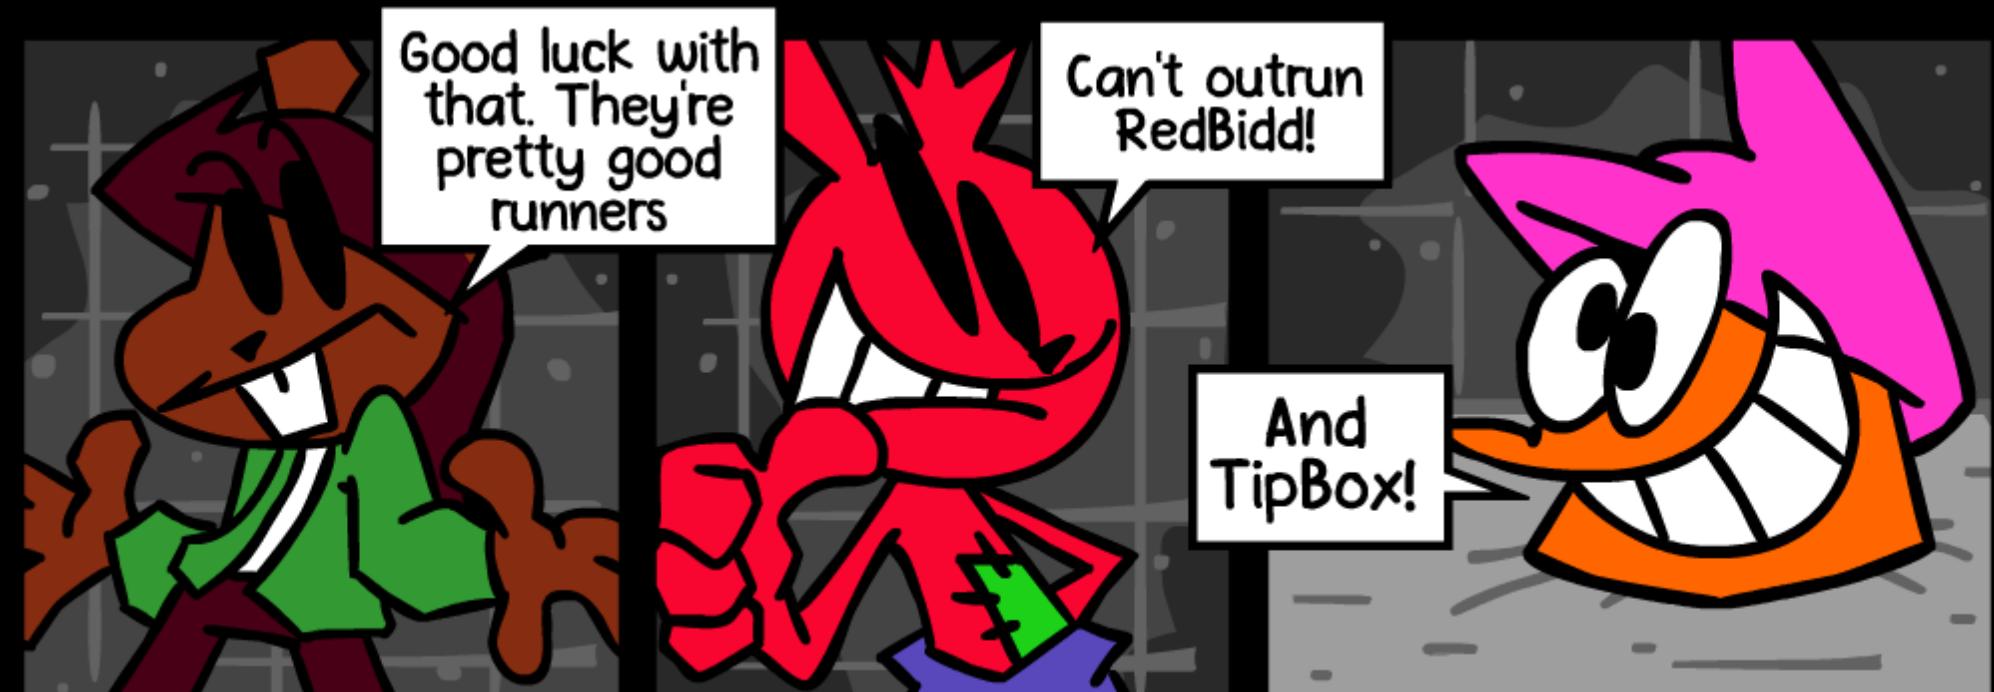

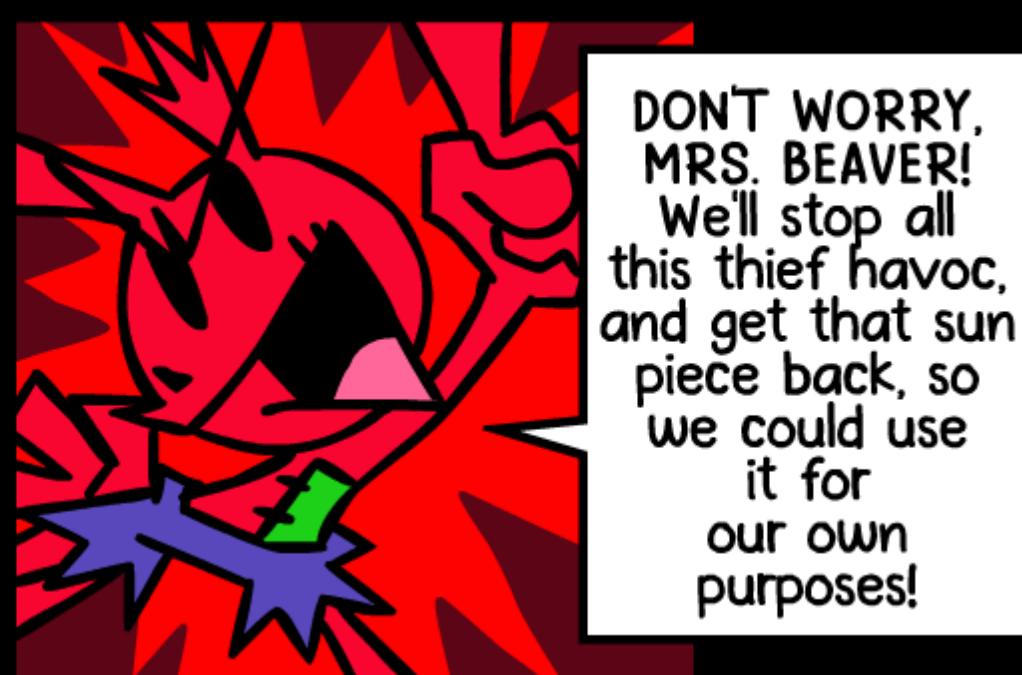

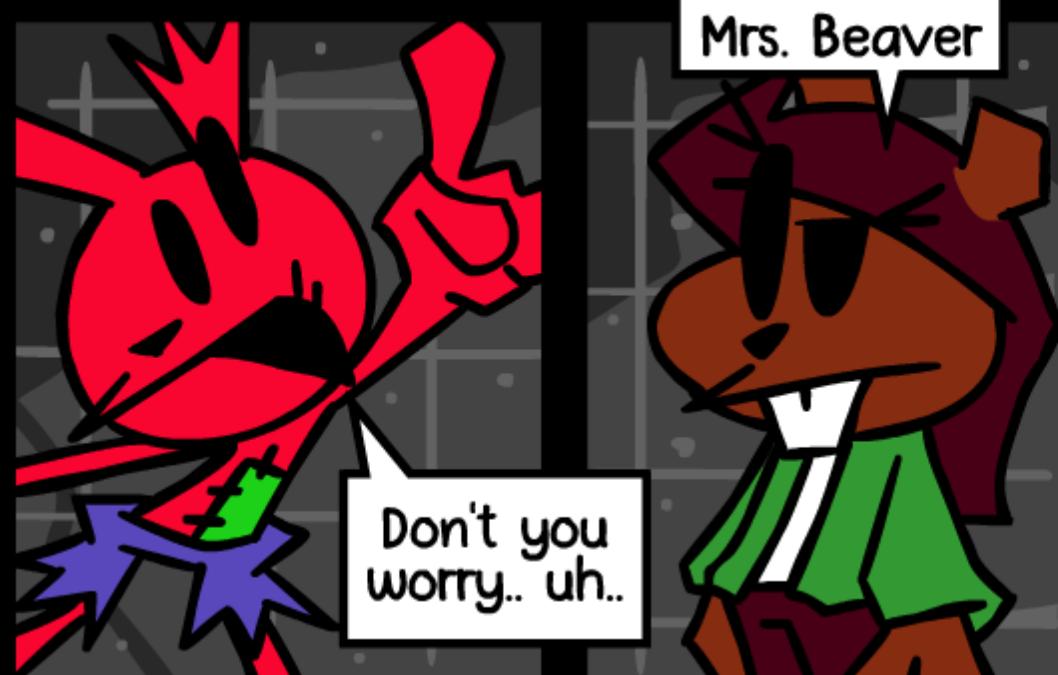

Hey pals, wanna hear a funny joke?

What do squirrels say during lunchtime?

THIS IS NUTS!

THAT'S SO STUPID!

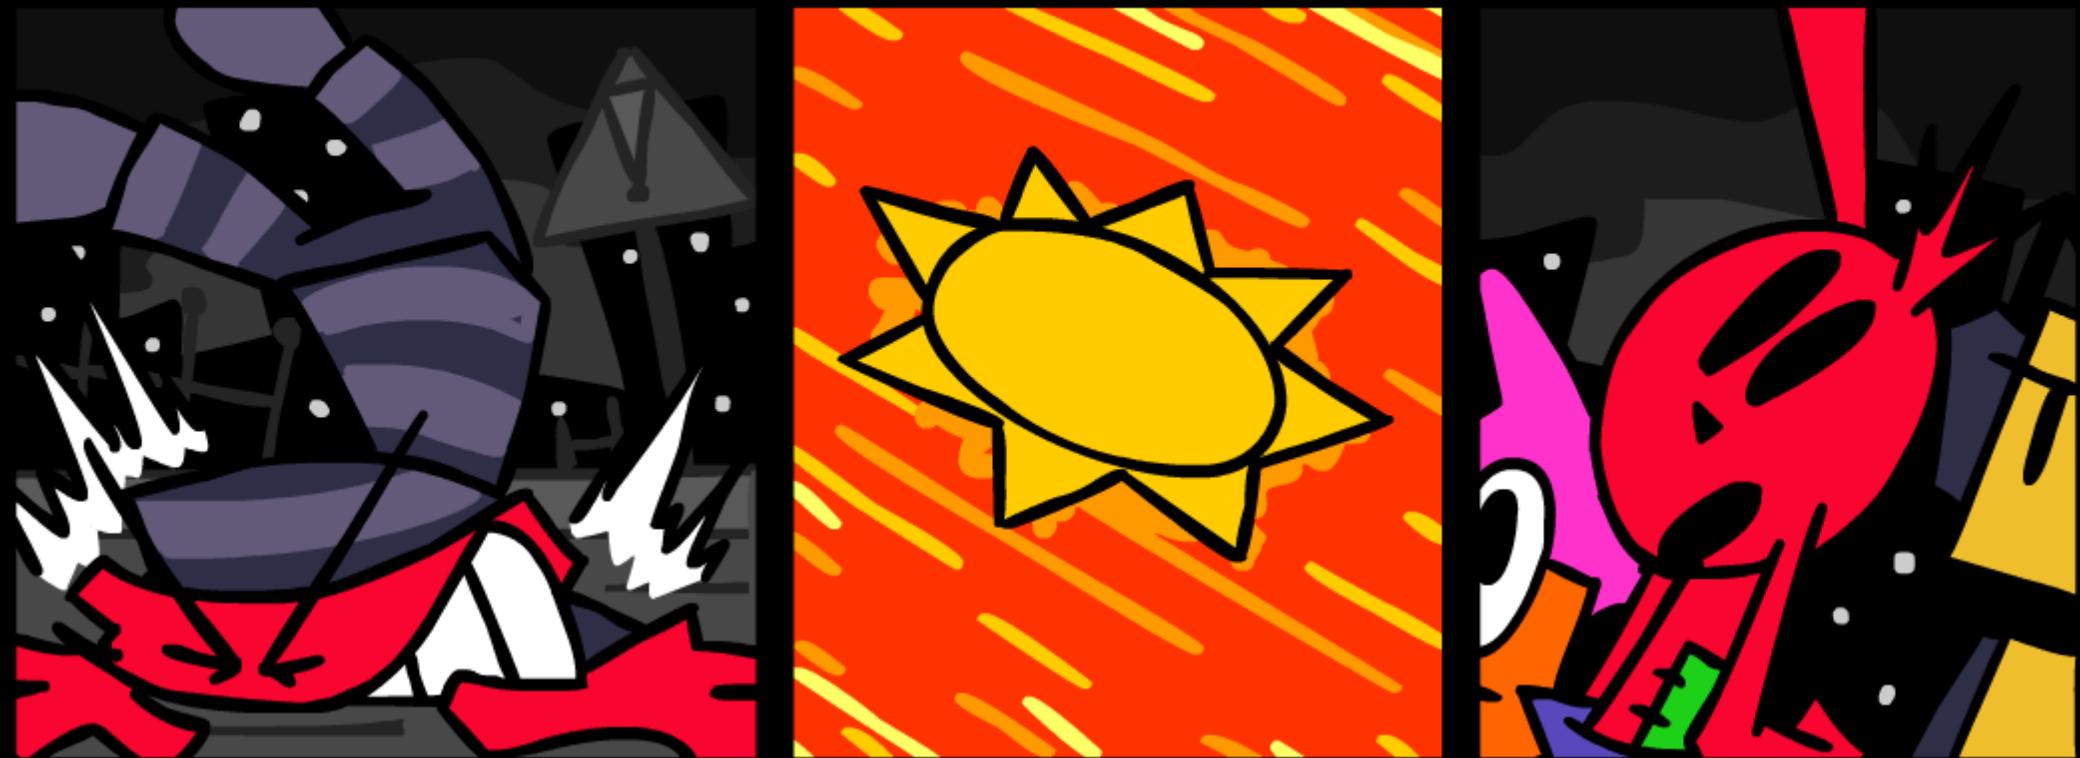

Take aim,
a-a-and..

To BE
