# THE REDBIDD COMICS

EPISODE 9:  
MAD BILL

Not as wicked as  
Wraps' attic!

They've gotta  
stop throwing  
me around

BZZT  
BSHH

BZAT

Wuh.. WHAT HAPPENED?!

You look  
ugly!....

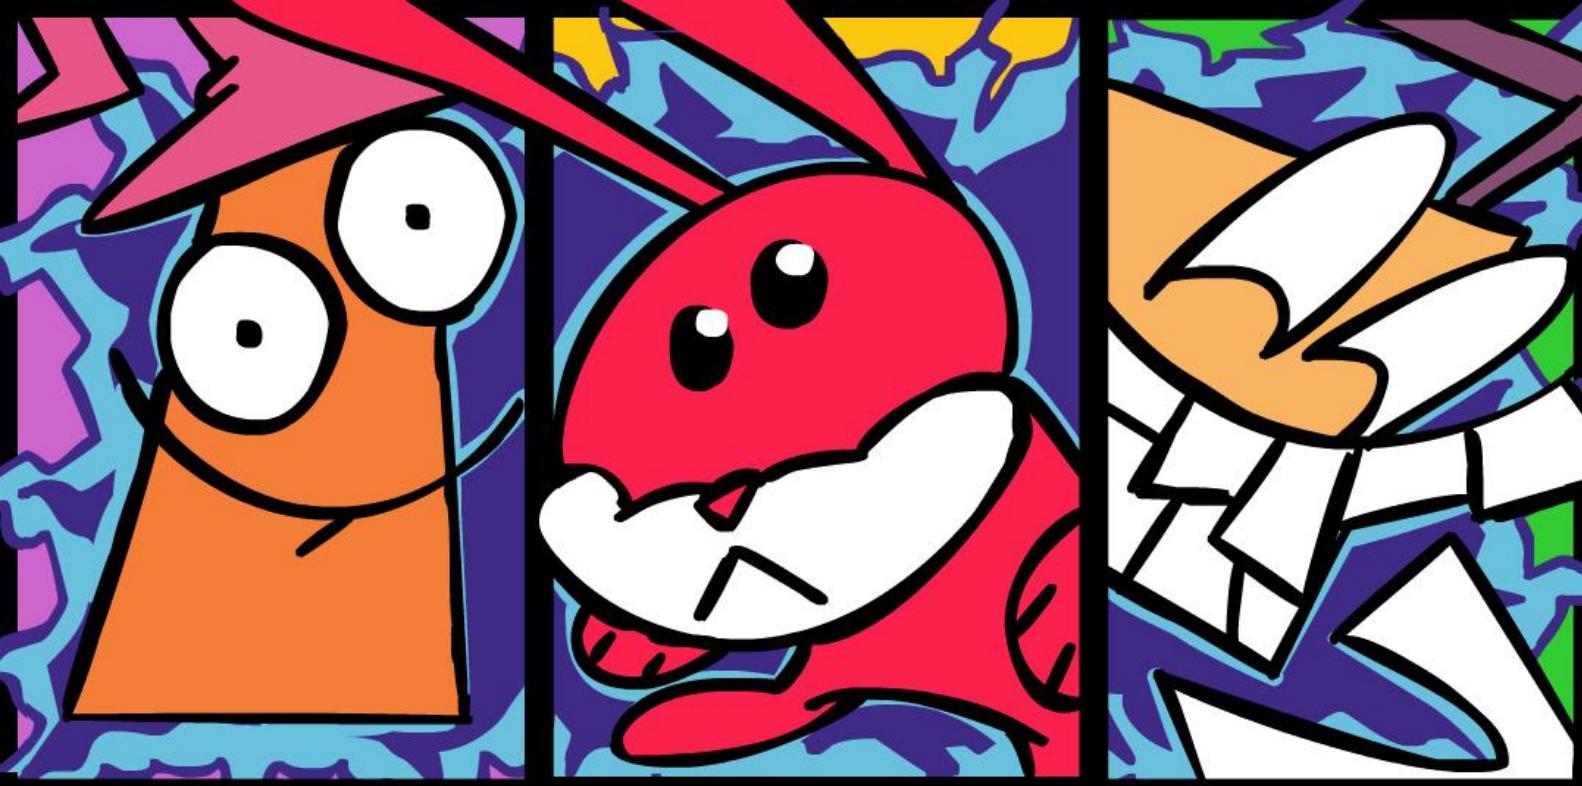

I look UGLY!

WE'RE ALL UGLY!!!

This is MADNESS!!!

CLICK

Heavy stuff,  
man

What... am I even  
looking at?

Bill Dye's main  
source of  
derangement

And HOW do you  
know that?!

It's right there!  
In the script!

Vhy, you

VORMZ!!

ZIS IS  
PREPOZTEROUS!

You zree zink you  
can just... KEEP  
running avay from ME?

You zink you're a  
match for ze genius  
of BILL DYE?

INTRODUCING:

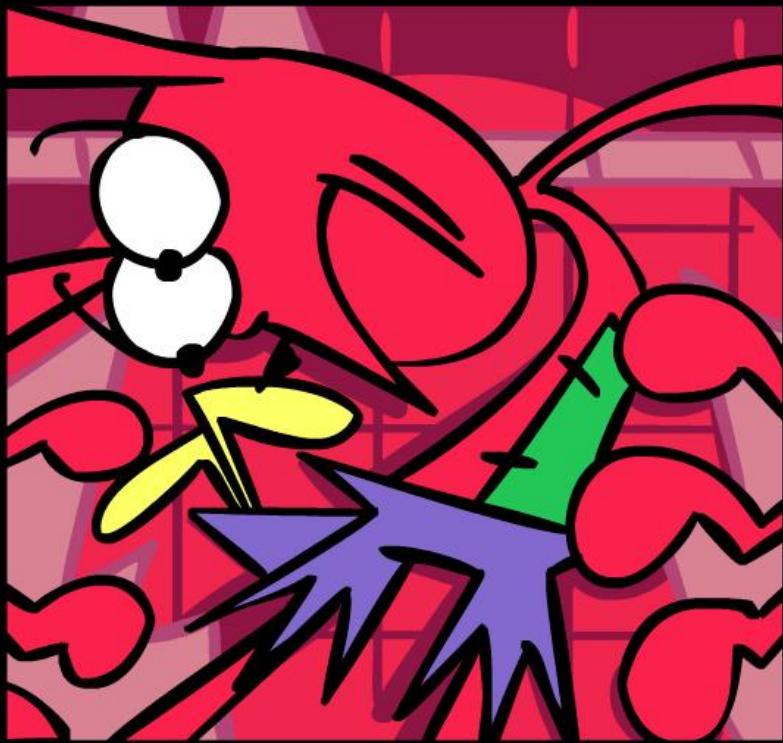

BILL DYE

Vell zen, say  
zat to  
MY FACE!

Ooo! Vat's zat  
shiny zing?!

Oh NAH!  
You won't be  
getting ANY  
of that!

Hah-heehee..

Man, like,  
WHAT'S  
GOING ON?

Gross,  
dude...

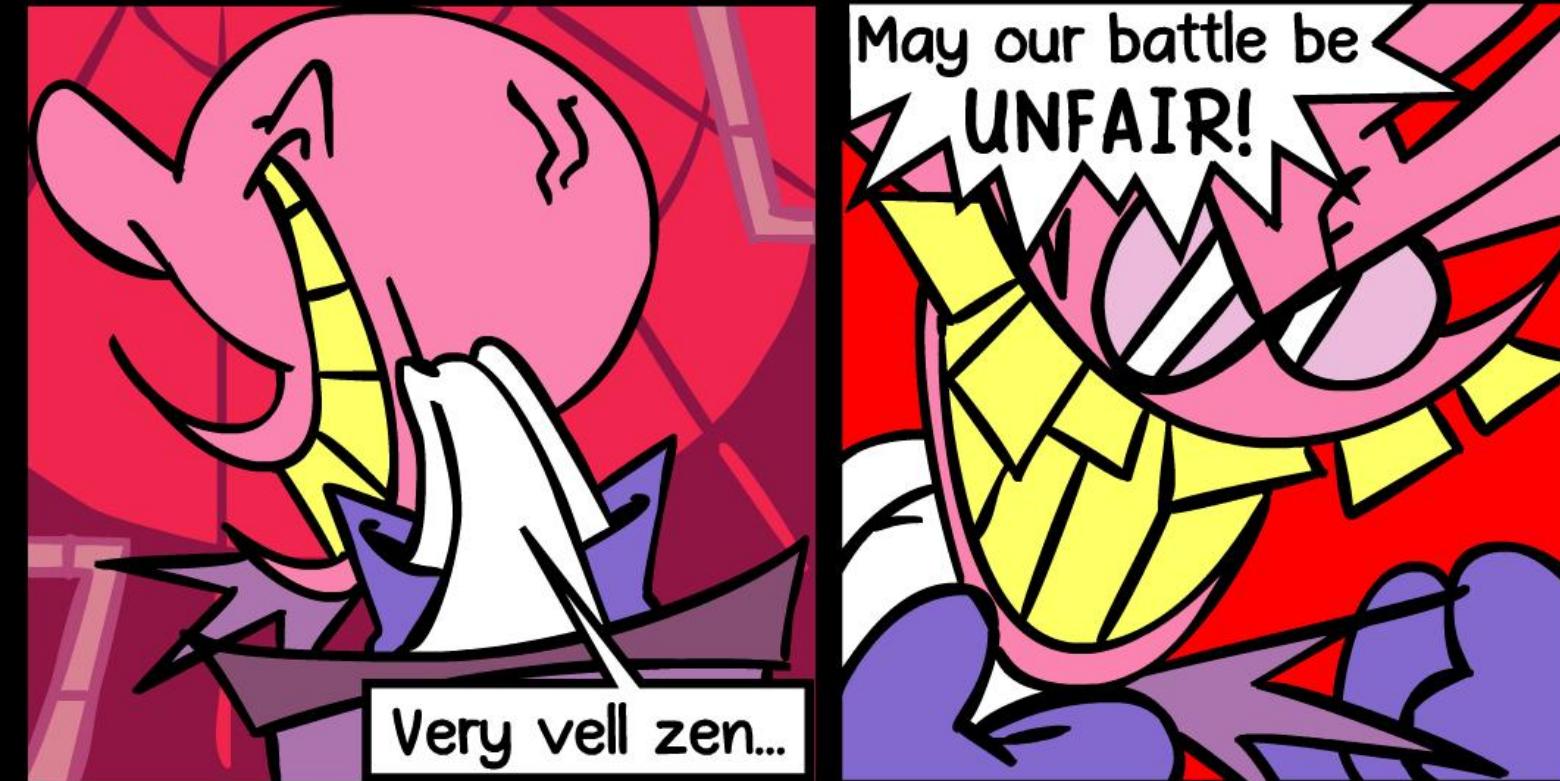

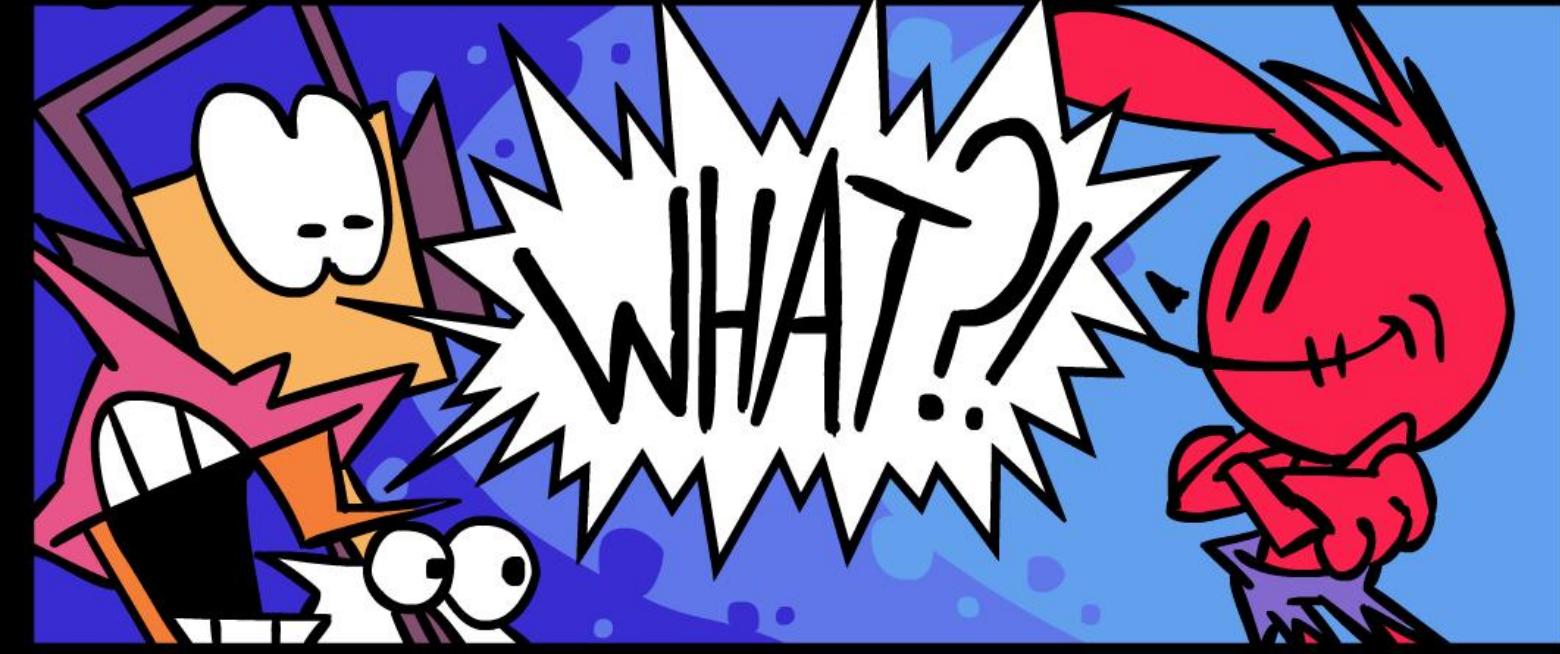

Let'z have  
a deal.

You vin, I vill  
let you have  
zis Hypersphere

And if I vin...

You zree vill be my  
experiments for  
ze rest of your LIFES!!!

You must be  
CRAZY, RedBidd!

Yea, like. Man.  
I've got things to do  
outside of this lab

Don't worry, pals.  
I've got this

Turkey legs won't  
see it coming

After all.. I took on a  
clone of myself recently!

Zat's it,  
rabbit...

**THUD**

HEEHEE!!!

Vhy, you little...

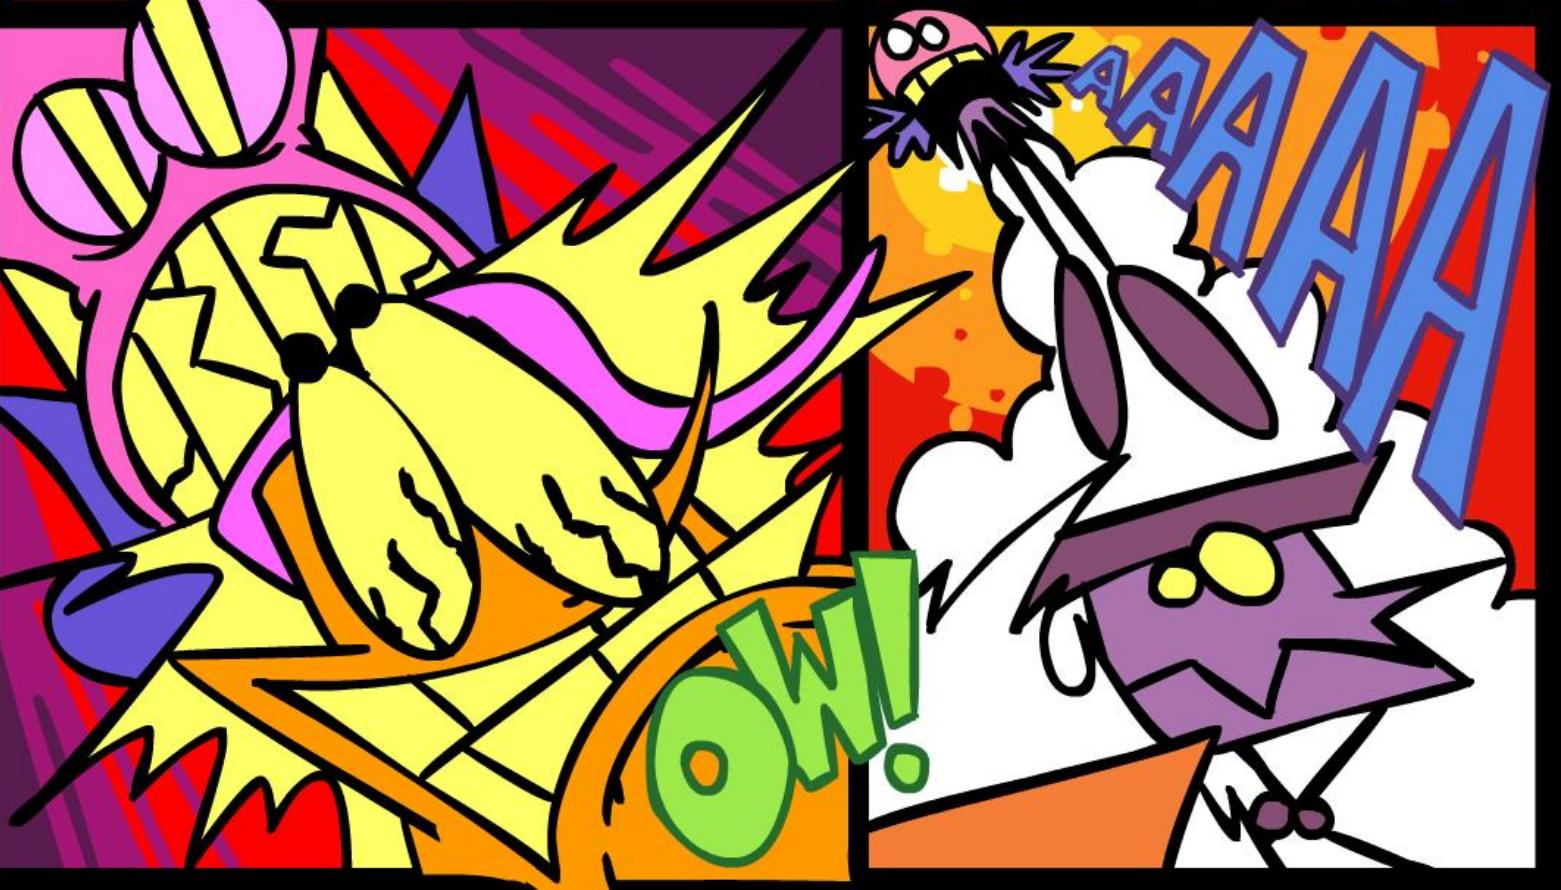

**BDonk**

**POW**

**NOD**

**NOD**

Hell YEAH!

VRRRR

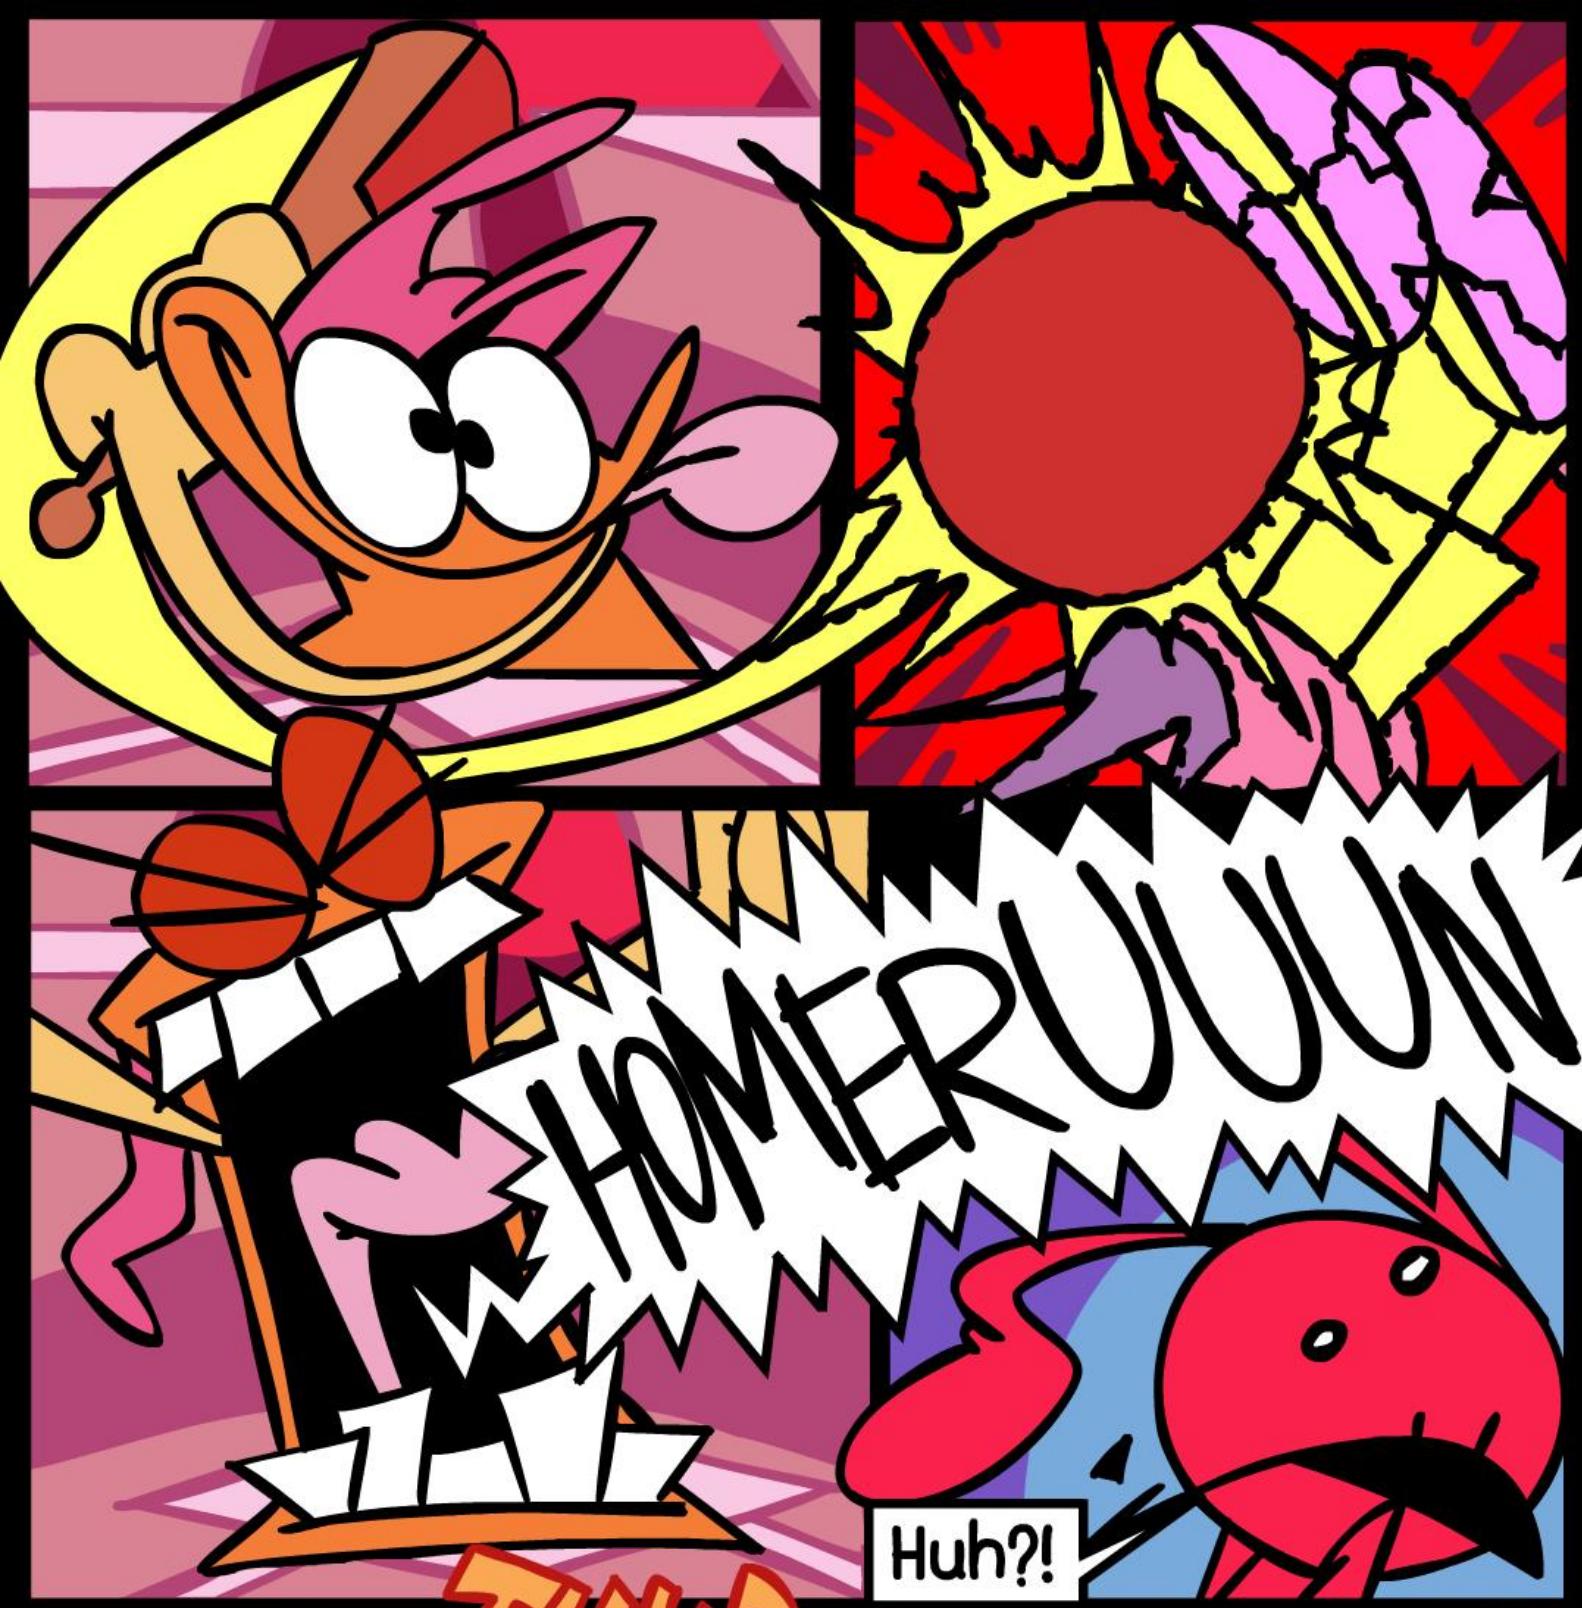

DJ, THROW ME  
A PASS!

VAT A TRAVESTYYYYYY!!!!

SLAM!

PFFF

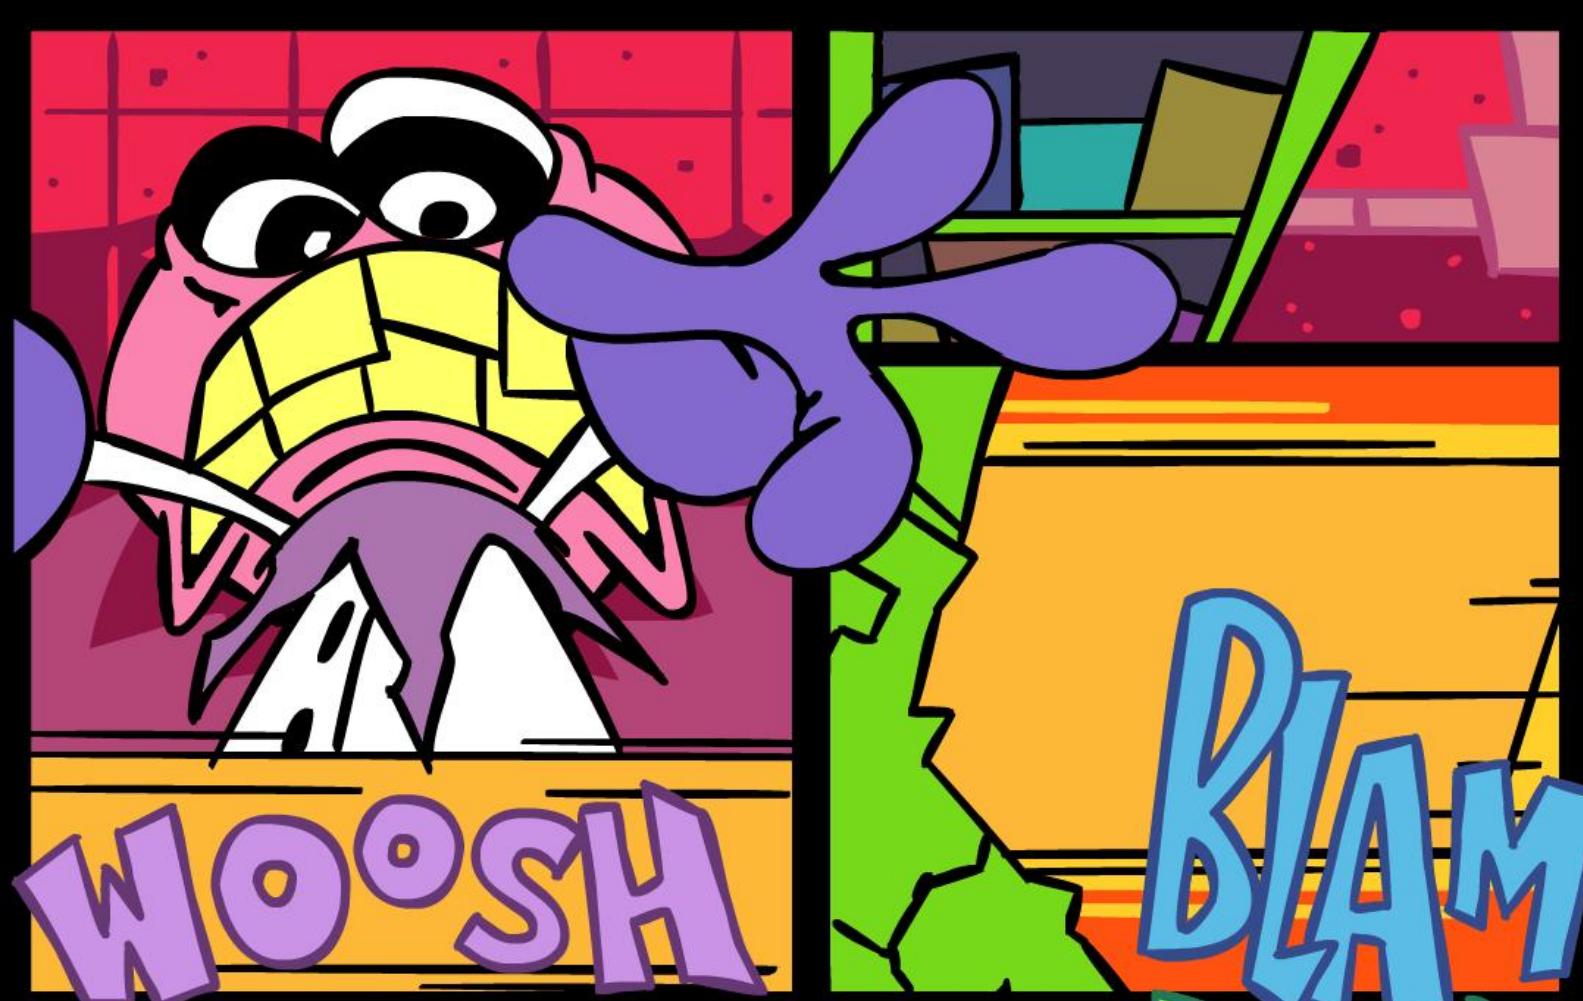

EEEENOUGH!

YOU TWO ZINK YOU CAN  
TOSS ME AROUND LIKE A BALL?!

Hop on.

So, what  
are we  
waiting for?

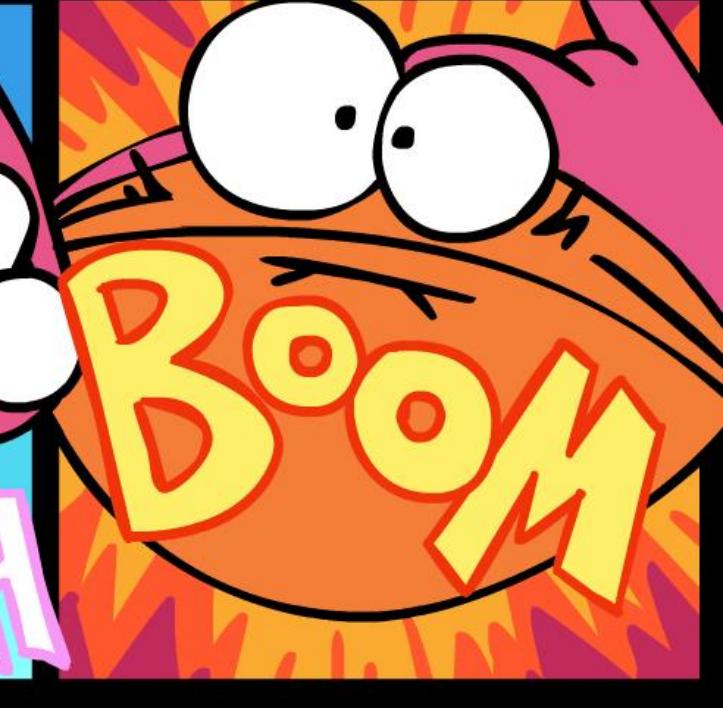

Follow the  
color trail!

OH NO! MY  
TURKEY-TRON!

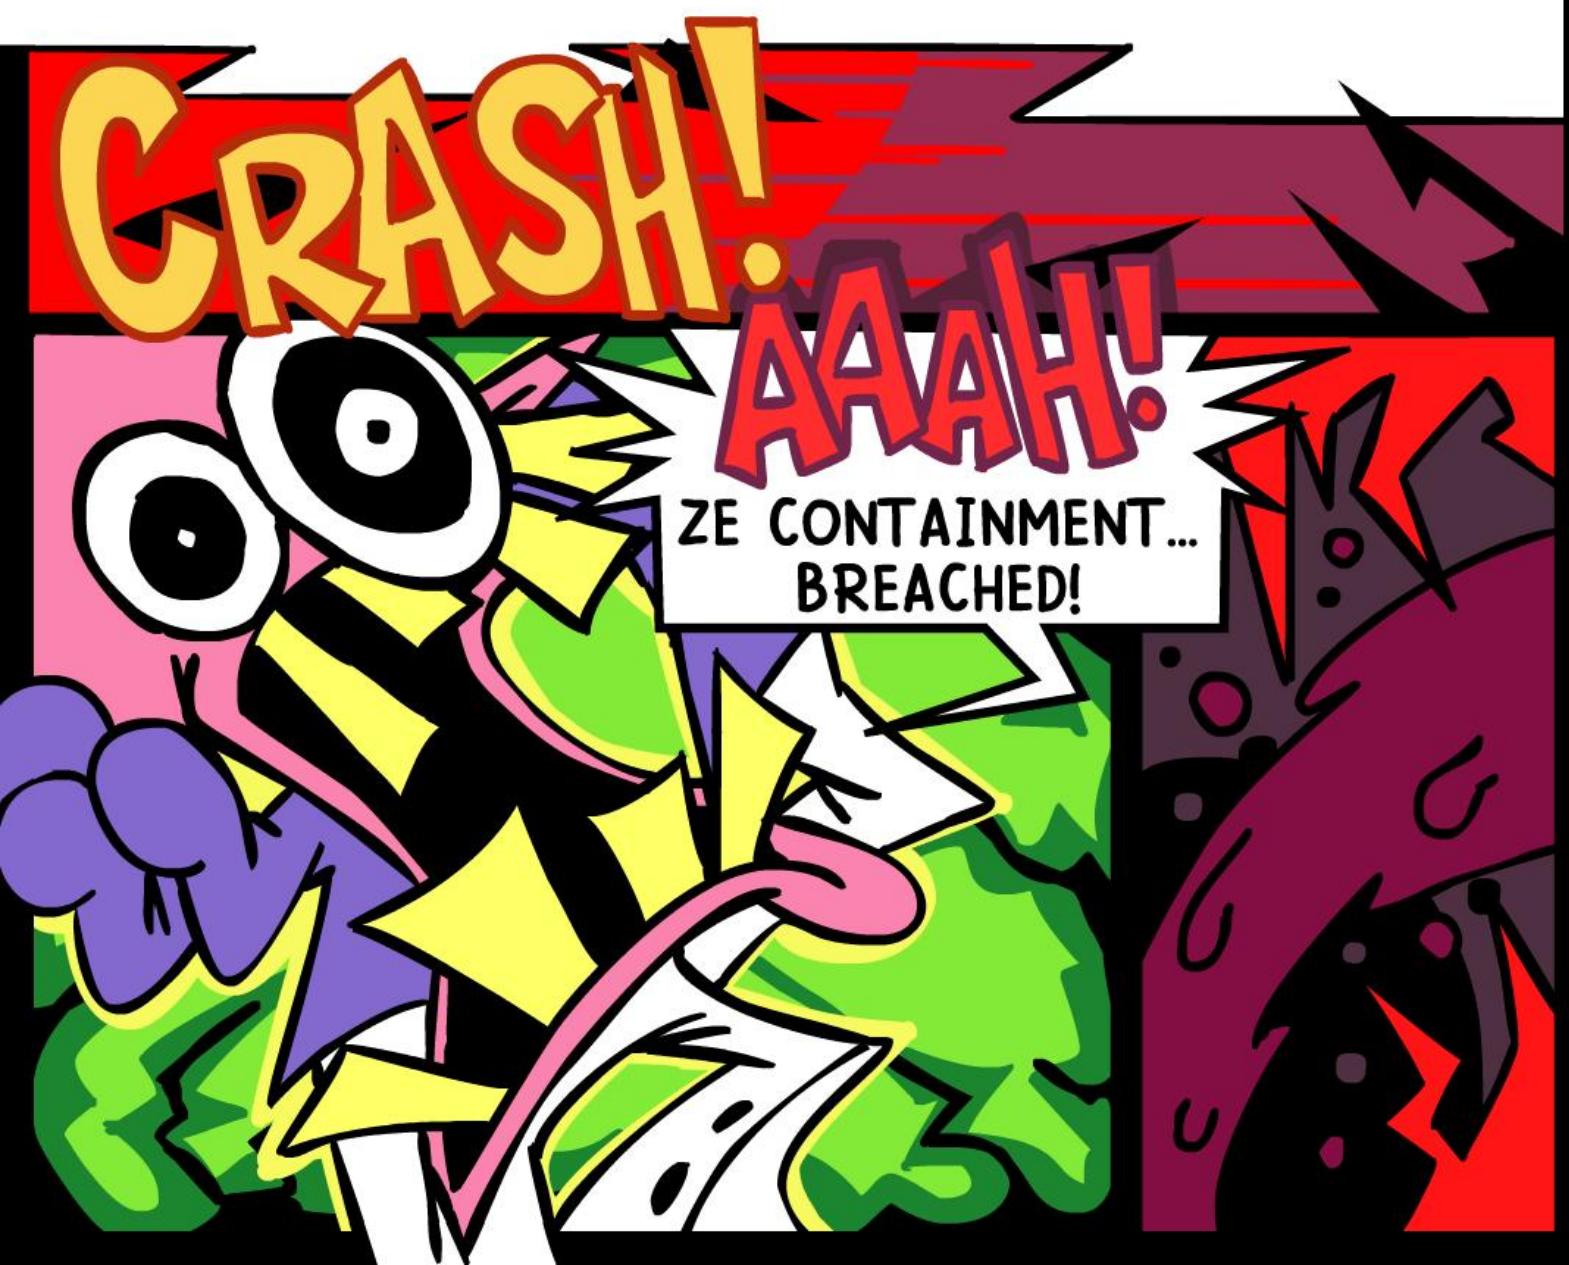

What? This thing?

GLONTCH

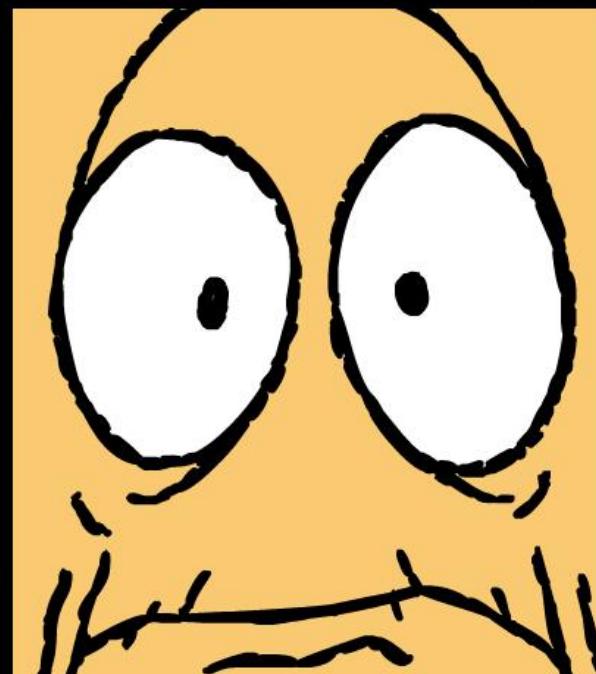

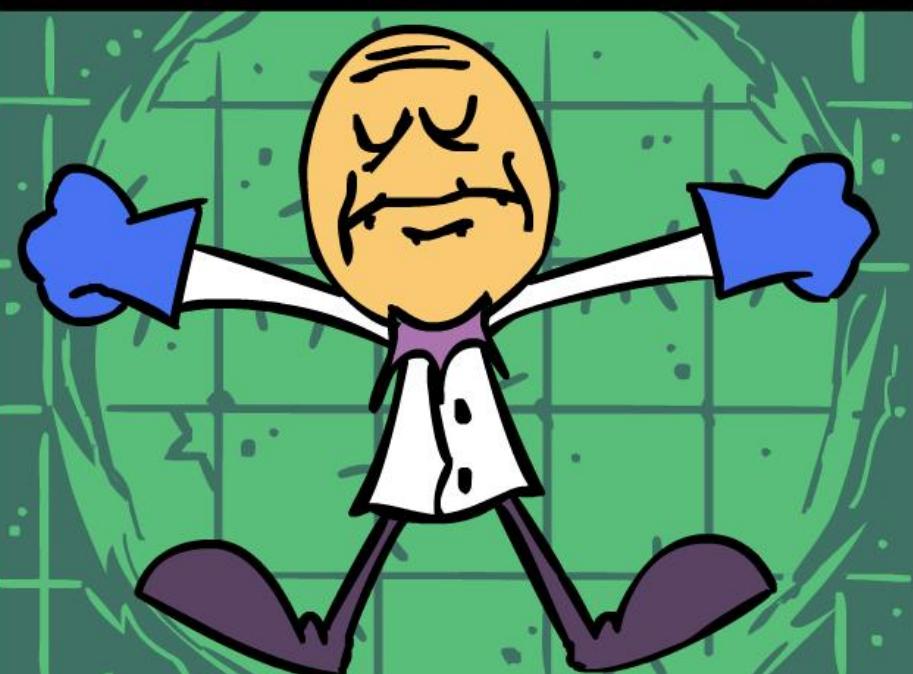

BOOM

MAGNETIC IMPULZES...  
CEAZED!!!

I'M LOSING  
INTELLIGENCE!!!

HELP!

Zat was sudden..

I can't exactly remember vat happened

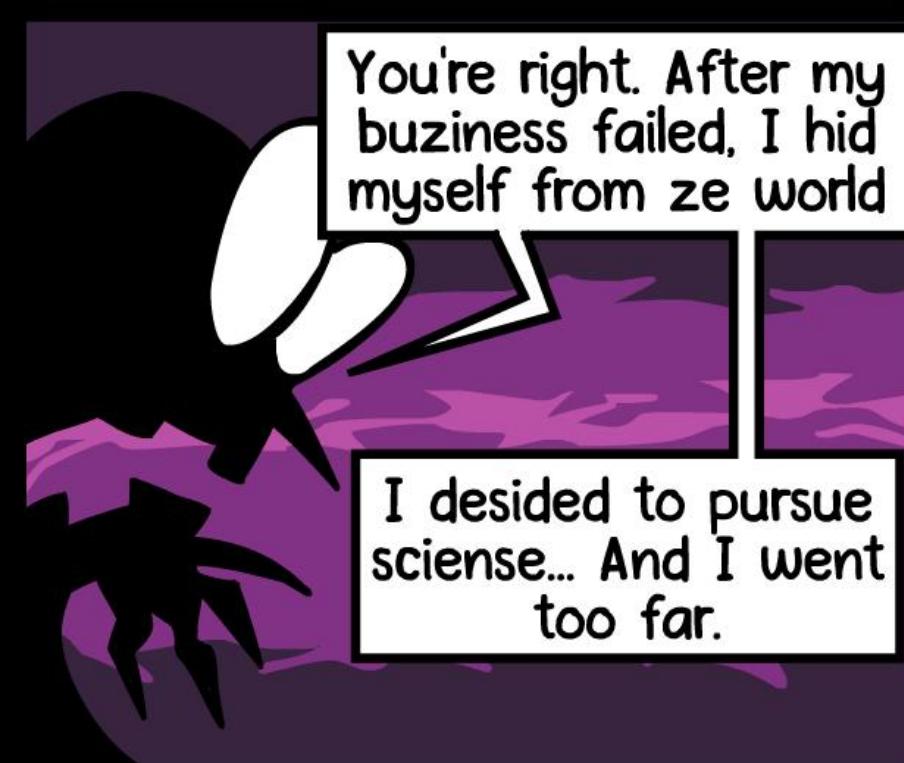

Hey, I know this dude

He looks exactly like the doctor from AdvanceCity's pharmacy store

But... that guy has been missing for several years!

Well. Seems we found him now

Oh, vat a travesty...

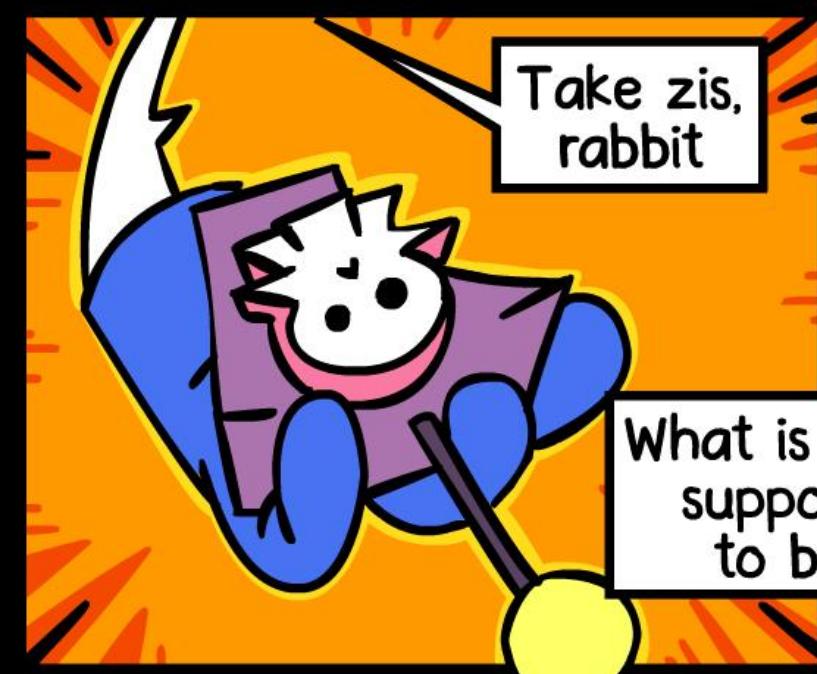

You're right. After my buziness failed, I hid myself from ze world

I desided to pursue sciense... And I went too far.

But... I can ztill redeem myself!

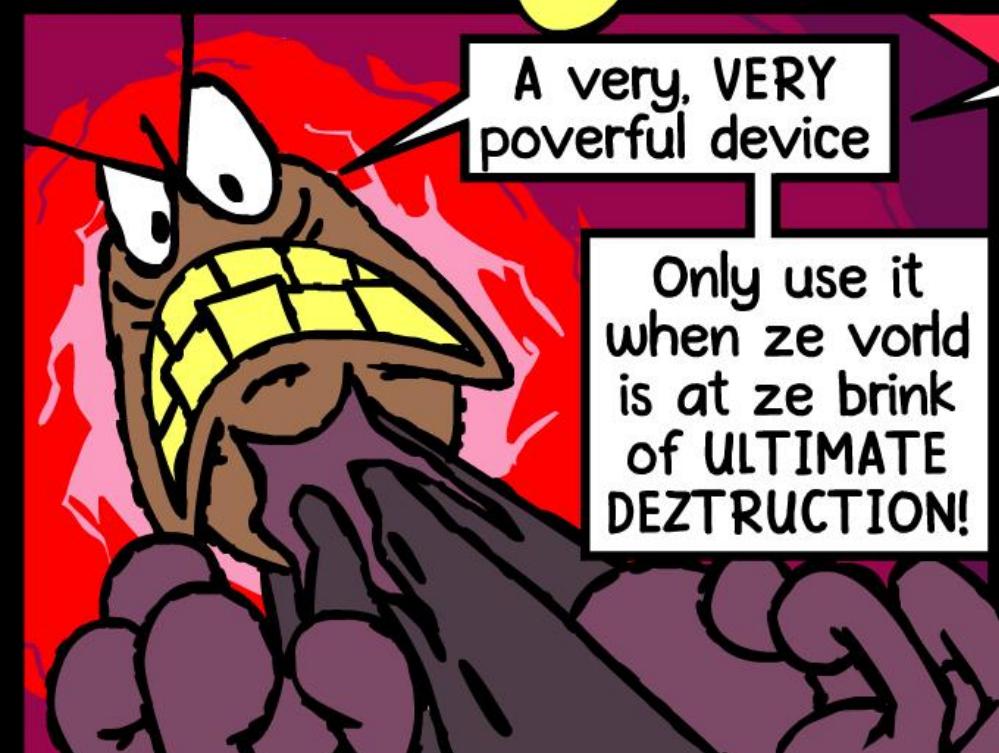

Take zis, rabbit

What is THAT supposed to be?

Take it... TAKE IT!!!

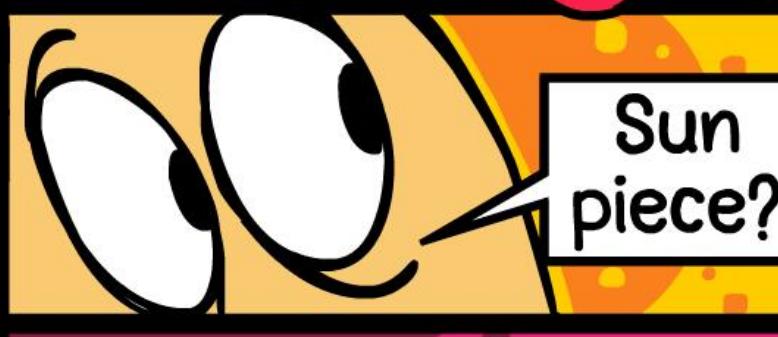

A very, VERY poverful device

Only use it when ze vorld is at ze brink of ULTIMATE DEZTRUCTION!

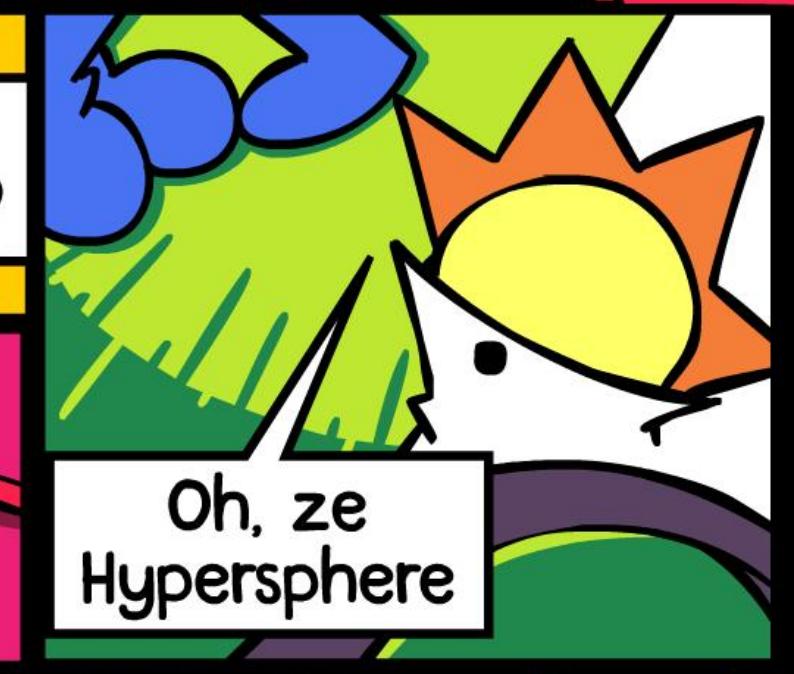

But what about  
that sun piece?!

Sun  
piece?

Oh, ze  
Hypersphere

It's  
yourz
